

Old Fehling Road May Be Opened By Schools

GC Board Seeks Access Route At Coolidge To Ease Traffic Problems

Possibility of extending the old route of Fehling road to alleviate traffic congestion near Coolidge Junior high school will be discussed by the Granite City school board at its next regular meeting Dec. 12.

Traffic issues were discussed briefly at the close of Tuesday night's school board meeting, and Supt. Harold M. Kaiser said possible vehicle routes will be outlined by the administrative staff at the next board session.

Board members have talked on several occasions about providing additional ways for traffic to leave the Coolidge-Granite City high school area after entering school driveways from N. Main and West delays occur in the morning when motorists are driving to work and parents are taking their children to school. Inclement weather in particular brings out a heavy volume of traffic.

Board Member Homer Huber noted that parking lot improvements have been discussed, along with the possibility of utilizing the existing roadbed for the former extension of Fehling road. Fehling now turns northward and eastward in skirting the edge of the school campus.

Asking about widening of the Coolidge driveway, entrance scheduled earlier this year, he was told by Supt. Harold M. Kaiser that this has been brought about some improvement.

Views Of Late Engineer

Dr. Kaiser read an analysis by the late E. W. Riefler, district highway engineer, in which he urged continuation of pedestrian traffic control in front of Coolidge by a police officer. Riefler's view was that after consideration of all circumstances at the scene, this method is superior to any alternate proposal, such as a pedestrian way or overpass. Grad separation problems were described as "insurmountable."

Plans also were made to review on Dec. 12 revised plans for a structure to shelter vehicle equipment at the rear of Granite City high school.

The superintendent was granted permission to have the district sell obsolete pupil desks and chairs to anyone interested in purchasing them. Desks were Central Junior high school, the furniture is stored under cover behind the high school.

No report was made on the cost of attendance by three board members and the superintendent at annual state school meetings in Chicago this month. Expenses are to be included in the Dec. 12 bill.

M. A. Wittevoogd, administrative assistant in charge of vocational and adult education, was authorized to attend a meeting of the American Vocational Association Dec. 3-7 in Kansas City, Mo., with expenses to be reimbursed.

Board members sang to Dr. Kaiser in observance of his birthday, and a cake provided by President Robert Spengler was served.

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Freda Lewis, 1624 Fourth street, Madison; M. A. Muth, 4900 Hill avenue, Nicholas; and St. Louis, Sylvester Williams, 1623 Maple street.

BIRTHS

Births recorded at St. Elizabeth Hospital:

GIRLS

Mr. and Mrs. Wesley Bishop, 2941 Ohio avenue.
Mr. and Mrs. Dennis Caruso, 1833 Fifth street, Madison.
Mr. and Mrs. Clarence Jenkins, 3196 Jill avenue.
Mr. and Mrs. John DeCoursey Jr., 2160 Delmar avenue.
Mr. and Mrs. Donald Hecht, 2137 Dawn avenue.

BOYS

Mr. and Mrs. Calen Jones, 2618 East 25th street.
Mr. and Mrs. Paul Lottman, 1649 Chestnut street.
Mr. and Mrs. Frank Laub, 1919 Park avenue.
Mr. and Mrs. Jack Taylor, 1681 Second street, Madison.

Studebaker Given Madison School Addition Contract

Construction of a Louis Baer grade school multi-purpose addition was awarded to the low bidder, Tom Studebaker Construction Co., of Granite City.

Studebaker's base bid of \$55,211 was \$43,226 below the nearest bid of \$98,437 made by M. H. Wolfe & Co., also of Granite City. Other bids were from G. H. Sternberg & Co., Granite City, \$59,885; Nelson Construction Co., Clayton, Mo., \$59,945; and General Contracting Co., Granite City, \$60,243.

Board President John Bellcoff opened the special meeting and asked Secretary Chester L. McManaway to open and read the five bids. The board formally awarded the contract to the low bidder.

Supt. of Schools Wendell L. Brown said that he will meet with Tom Studebaker and Richard Kersch of the construction company and Architect Virgil Dilligert Friday to set up time and payment schedule.

Similar To New Schools
When construction is completed, all grade schools in Madison will have multi-purpose areas similar to those at the Blair and Harris grade schools.

Plans show that the 42x70-foot addition will make use of the present hallways on the first and second floors of the present building to connect the two structures.

Included in Studebaker's base bid were the following alternates which the board voted to include: \$2169 for converting from coal to gas heat; \$1782 for fencing from the school grounds; \$535 for trim work after construction is completed; \$424 for steel shelving in kitchen; \$255 for fencing from the building to the highway; and \$889 for electrical work required for the fuel conversion.

Mrs. Ruth Moriam, 54, Dies Of Leukemia Today

Mrs. Peter (Ruth) Moriam, 54, of St. Louis, a former Granite City resident, died of leukemia today at St. Elizabeth Hospital, St. Louis, where she had been a patient since Tuesday.

Mrs. Moriam, a native of Missouri, who lived at 5230 Thrush avenue, had been ill a month and had been in the hospital for a week earlier this month. She moved to St. Louis 28 years ago. Her husband is a welder at General Steel Industries here.

In addition to her husband, she survived by two daughters, Mrs. Frank (Betty) Schaeffer of Granite City and Mrs. Ted (Ruth) Grady of Edwardsville.

Three brothers, Truman, Howard and Thomas Westbrook, all of Granite City; two sisters, Mrs. Porter (Evelyn) Marcus of Granite City and Mrs. Lela Burdick of Chicago, are three grandchildren.

Funeral arrangements are given in today's obituary column.

Its Job Done -- Memorial Association Dissolves

The Granite City Memorial Association, founded 14 years ago to establish a suitable memorial to those who served in two world wars, was dissolved yesterday, its mission accomplished.

Result of the Association's work is the new Memorial park fountain at N. Main and Madison avenues, across from St. Elizabeth Hospital. The fountain and bronze memorial plaque were completed and dedicated earlier this year.

The organization was founded when the Granite City Trust and Savings Bank won a new car in a city-wide competition.

Madison For Levee Pollution Program

City Council Votes To Inform District Of Its Willingness To Join

Madison's city council voted Tuesday night to inform East Side Levee & Sanitary District Board President Toler that the city is still in favor of the levee board pollution abatement program as covered in federal aid is obtained.

The program is a coordinated plan for the entire district, except for the two of the Homer & Shiffrin consulting engineers' report of September 1961.

Mayor Maers said that the program is a coordinated plan for the entire district, except for the two of the Homer & Shiffrin consulting engineers' report of September 1961.

Plans show that the 42x70-foot addition will make use of the present hallways on the first and second floors of the present building to connect the two structures.

Included in Studebaker's base bid were the following alternates which the board voted to include: \$2169 for converting from coal to gas heat; \$1782 for fencing from the school grounds; \$535 for trim work after construction is completed; \$424 for steel shelving in kitchen; \$255 for fencing from the building to the highway; and \$889 for electrical work required for the fuel conversion.

The action by the council comes with the levee board's Dec. 1 deadline to indicate a willingness or unwillingness to join the program.

Some points out that if some communities withdraw from the program, it might be cheaper for us to build our own plant. And if Granite City decides against the plan, then the levee board must decide if it is expensive to build a plant up here just for Madison and Venice.

"We're in the hub of things, depending on our neighbors," remarked Maers.

In other business, the council deferred action on an application for a permit to add an extension to the existing sewage system on Elizabeth street, near Greenwood street, until further study of the specifications can be made. The application was filed by Manie Schermer.

The council also voted to seek bids to replace police squad car No. 13. Police Chief Barney Fraumier informed Maers that the vehicle has 62,000 actual running miles and an undetermined amount of idling time.

Support Arms Higher

The support arms for the new fixtures are being installed so the lights will be 30 feet above the streets, five feet higher than the old fixtures.

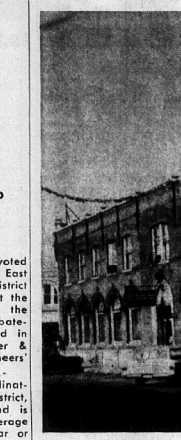

Cost of the installation is being borne by Illinois Power Co. with the city to pay the cost of the fixtures.

The fixtures are being changed on 12 steel poles in the business district, and one pole and light is being added at 18th and State streets.

Ceremony Saturday

With a goal of \$4500, the Salvation Army's 1961 "Tree of Lights" fund drive will begin with a tree lighting ceremony in Memorial Park at 2 p.m. Saturday, Chairman Gene H. Sternberg will preside.

Attending the meeting were Milton Worthen, president; Carl Rauff, treasurer; Elton Curtright, Edwin Reiske, Barry Loar and Karandjeff.

NEW, BRIGHTER WHITE WAY LIGHTS being installed in the downtown business district of Granite City. The new mercury vapor lights are twice as bright as the present ones. Installation was started this week and is to be completed before Christmas.

Downtown GC White Way To Be Brighter

Installation Of New Fixtures Starts This Week On 122 Poles

Installation of Granite City's brighter downtown white way lights was started this week by Illinois Power Co., and will be completed in time for Christmas.

The new fixtures, which will be twice as bright as the present system, are mercury vapor and rated at 20,000 lumens, as compared to the 10,000 ratings being replaced.

Work began Tuesday under a contract awarded by the power company to R. Don Electrical Co., after the city council approved the new installation several months ago. Start of the work was delayed by late delivery of brackets needed for the new arms being installed on the steel poles.

Schmitt explained the new mercury vapor lights are similar to those along Madison avenue, and that the added rating will brighten downtown streets.

Support Arms Higher

First Such Art Program In State

Equipment Bought For GC Welding Sculpture Classes

Establishment of art welding on a permanent basis was approved by the Granite City school board Tuesday night in a six-hour workshop.

Accepting a \$132 bid from Welder and Industrial Services, Inc., St. Louis, on welding equipment, the board voted to purchase the first in Illinois to teach art welding.

Granite City students have been learning the unusual skill during art classes, under the leadership of Eugene L. Alsasi, school district art supervisor. Reporting that the program is new to the secondary education field, Supt. Harold M. Kaiser noted that most of the necessary equipment has been borrowed or improvised.

These welding metal into artistic designs will be instructed in use of the equipment by Alsasi, the board was told. Dr. Kaiser said the specifications were written in an attempt to provide all possible safety features, so that maximum protection would be obtained.

Use Oxygen, Acetylene
A dual oxygen-acetylene welding set ordered Tuesday night will include two brass torch bodies having a floating needle valve and silver soldered assembly joints, a cutting assembly with cutting tip and stainless steel tubes; four welding tips; two twin-hose assemblies; set of regulators; and regulate oiler check valves for oxygen and acetylene.

The school district is to be visited during the week of Dec. 11 by Rudo Seno of Madison, Ill., an internationally known authority in the field of art-welded sculpture. Dr. Kaiser noted Seno will demonstrate his methods for GCHS advanced art classes without charge due to his interest in observing the initial Illinois school art welding program.

Alsasi met Seno and discussed the local classes at the 1961 Illinois Art Education Association conference. Seno has created and instructed metal art for leading U. S. architectural firms.

At 8:30 a.m., calls were received at 1128 Logan street and Market street and Broadway, where autos were on fire. Damage was \$100,000 to the area's annual payroll, it was announced this week from Washington by Congressman Melvin Price.

The increase will go to 737 depot employees in the skilled, semi-skilled and unskilled trades and crafts. The remaining 35% of the general services employees, including clerical, fiscal, administrative and professional employees, are not included.

The increases are based on going rates in non-government trades and crafts and are for government employees in the metropolitan area.

Depot Workers To Get Pay Boosts

Wage increases of 8 to 12 cents an hour for 65% of the personnel at Granite City Engineer Depot will start Sunday, adding over \$100,000 to the area's annual payroll, it was announced this week from Washington by Congressman Melvin Price.

Dicus Couple Bound Over To Grand Jury

(Pictures on Page 5)

Charles W. Dicus, 22, and his wife, Shirley, 20, waived preliminary hearings before Justice of the Peace Harry E. Hartman yesterday and were bound over to the Madison county grand jury.

Both are charged with illegal possession of narcotics, valued at over \$25,000, and two counts each of concealing stolen property. They also are charged with illegal use of narcotics and burglary and larceny.

Defense Atty. Austin Lewis identified as part of the case Assistant State Atty. John Gitchett argued before Hartman yesterday on the amounts of the couple's bonds. Motivated by the fact that the couple has a two-year-old child, Hartman reduced the wife's bond from \$25,000 to \$5000 but he refused to cut Dicus' bond from \$25,000.

Some of the jewelry was later taken Nov. 3 from Smilin' Joe's Drive-In Liquor store, 3102 N. N. Main, and when ascertained that it was worth nearly \$4800, part of the narcotics was identified as being from Foster's drug store, Alton, which was looted the same week.

Illinois State Bureau of Narcotics men were in Granite City Monday to identify the drugs. After the case is completed, the drugs will be destroyed.

Drainage, Pollution Reports Due Dec. 13

Recommendations To Be Presented To GC Council; 2-Year Study

Recommendations for a master sewer and drainage program as well as a pollution abatement system for Granite City will be made Dec. 13 by the Citizens Master Drainage and Sewer Committee, it was announced during Monday night's council session by Mayor Davis.

The final report and recommendations of the citizen group makes the completion of more than two years' work, which includes detailed studies and preparation of four voluminous reports, finished with a \$120,000 federal grant obtained in December 1959.

In announcing the meeting, to be held at City Hall, Mayor Davis urged all aldermen to be present and G. W. Hoelcher, chairman of the joint committee, said invitations are going to all council members, individuals serving on the joint committee and officials of the state Sanitary Water Board.

Details of the report and recommendations will not be disclosed in advance of the meeting, and final work on the fourth report is being completed by the local engineering firm of Sheppard, Morgan & Schwaab.

Financial Aid Sought
The city's citizen group is hopeful the East Side Levee & Sanitary District will finance installation of trunk lines in the proposed master plan. Levee board members have indicated willingness, but have not yet announced an amount.

The original master drainage and sewer study was expanded to include a survey to determine if the city could better operate its sewer treatment plant rather than take part in a joint two-county system proposed by the levee board and city.

A deadline of tomorrow, Dec. 1, was set several weeks ago by the levee board for cities in Madison and St. Clair counties to decide if they would enter into an agreement with the levee district or go into pollution abatement systems of their own.

However, in face of the Dec. 13 report meeting in Granite City, the levee district has indicated its decision is being eased. The Madison city council Tuesday night to take part in the levee district program, while the Venice city council is expected to make a decision at its meeting Friday night.

In St. Clair County, Monsanto will proceed with its own sewage treatment plant; East St. Louis has not yet announced a decision, and several smaller communities have indicated a willingness to join the levee district program.

Other Individual Studies
Separate pollution studies have been made by the cities of Granite City, Madison, Venice and East St. Louis. If they could create treatment plants, they would be able to (Continued on Page 25, Col. 8)

Depot Workers To Get Pay Boosts

City Tax Rate Meeting Tonight

Mayor and city attorneys of Madison county municipalities will meet this evening to hear what they hope will be a solution to possible tax rate dilemmas. State Atty. Dick H. Mudge is unable to attend, but will be represented by Assistant State Atty. Burton

epartment, local lawyer. A recent decision by County Clerk Miss Eulalia Hotz to apply for a state Supreme Court decision to city taxes as well as the county has created the furor, which poses a \$21,000 tax revenue loss for Granite City next year and tax cuts for most other municipalities, including Madison and Venice.

The meeting was called by Mayor Davis upon learning of Miss Hotz's decision. Last year, Mudge gave a verbal opinion of the high court ruling to return to the 1951 tax rate limitations of the Dodge Act did not apply to cities. Miss Hotz said she was informed by the Illinois Taxpayers' Federation that the Supreme Court would not apply to cities.

Officials of nearly every city in the county are expected to attend this evening's dinner meeting here.

Council of Mayors Discusses Tax, Pollution Problems

The possibility of a three-city river pollution abatement program for the local communities was discussed last night during a meeting of the Southwestern Illinois Conference of Mayors at the Madison fire hall. Mayors Stephen A. Maers of Madison and Dr. John E. Lee of Venice were co-hosts.

The dinner meeting was attended by about 100 persons, including aldermen of the Granite City, Madison and Venice councils, who were guests. A round-table discussion was presided over by Mayor Alvin Fields, East St. Louis, vice-president, in the absence of Mayor Davis, president, who was ill.

Mayor Maers opened the discussion, which first touched upon municipal tax rate problems. However, the tax discussion was brief, since Madison county mayors are to meet this evening in Granite City with Assistant State Atty. Burton Bernard to determine if the municipal rates are to be cut.

The Madison mayor reported his council had taken action Tuesday night to accept the pollution abatement proposal by the levee district, provided a cheaper method is not found. "It hinges on Granite City's decision," Maers said.

Granite City Second Ward Alderman Samuel Whitmer proposed the possibility of a three-city sewage treatment plant and system, and it was indicated the suggestion might be taken up pending a decision by Granite City on the program it will follow. Granite City council members are to receive recommendations Dec. 13 from the Citizens Master Drainage and Sewer Committee on the sewage and pollution abatement.

During the meeting, Maers suggested the council of mayors should devote more time to discussions aimed to solve mutual problems and to aid newly-elected officials. "We have among us a great amount of knowledge concerning municipal affairs," Maers pointed out.

Appeal On Tavern License Under Way

Taken under advisement Tuesday at Edwardsville by Circuit Judge Harold R. Clark was an appeal to revoke the liquor license of a local area tavern. The appeal was made by County Liquor Commissioner Gus Haller, represented by the state's attorney's office, against George Nelson, licensee for Georges Place, a tavern located on State Route 211 near Horseshoe Lake.

The appeal is of a decision by the Illinois Liquor Control Commission reversing a revocation order of Commissioner Haller. Judge Clark said he probably would hand down a decision this week. The three-hour hearing was held in the judge's chambers. Evidence gathered earlier this year by Richard Allen, special investigator for the state's attorney's office, was valuable for the county revocation. Allen said he was solicited by one of three women serving drinks at the tavern. The county revocation was appealed to the state commission which reversed Haller's order.

SING ALONG WITH HERB MEYER AT THE ORGAN FRIDAY & SATURDAY, THE DEN.

Anthony (Tony) Zedolek is the friendly loan officer who is well known to customers of Granite City Trust and Savings Bank. Customers agree that his warm consideration and conscientious attitude make placing a loan through him a pleasure. To quote Tony, "We are constantly striving to convince customers and prospective customers that Granite City Trust is eager to make loans. We feel that we can best convey this by offering extraordinary cooperation to folks wanting loans."

Tony has been with Granite City Trust for seven years and is presently Assistant Cashier and Institutional Loan Officer. He resides with his wife Loretta and daughter Deborah at 3148 Anselmy. Tony attended Collinsville High School and the American Institute of Banking. He is a member of the Madison Rotary Club, the Chamber of Commerce, Bellemore Civic & Improvement Assoc., and Bankers Installation Credit Assoc. In his spare time Tony enjoys music appreciation, photography, and an occasional game of golf.

His friendly, well-trained folks here at Anthony Zedolek who serve you at Granite City Trust... folks who want to make your banking a pleasure. Another reason why more and more Granite Citizens are making "Your Friendly Bank" their bank.

Power To Interconnect System With Indiana Firm

Allen Van Wyck, president of Illinois Power Co., and Philip Sporn, president of the American Electric Power Co., today announced that a 50-year agreement providing for the construction and operation of an extra-high voltage transmission line interconnecting the two systems had been signed. It is designed to provide better service and less chance for interruption of service.

The 32-mile line, when completed, will carry 345,000 volts and will be one of the nation's largest for the interchange of electric power supply between two utilities. It is expected to cost an estimated four million dollars and to be completed by June 1963.

This extra-high voltage line will connect existing transmission facilities of the Illinois Power system at a point near Sidney, Ill., to the Indiana and Michigan Co. system at a point near Cayuga in Indiana. Indiana & Michigan is one of six operating companies comprising the AEP System. Illinois Power will construct the 30 miles of line which will be in Illinois, while Indiana & Michigan will construct the two miles in Indiana.

Growing Regional Grid
The new line is an extension of the growing regional grid of 345,000 volt lines - highest capacity lines in standard use in the U. S. - which soon will extend from Virginia to Illinois and include urban and industrial centers such as the Ohio Valley, Cleveland, Chicago and Indianapolis.

Van Wyck and Sporn described the interconnection as "a tangible demonstration of the investment-oriented power industry's ability and willingness to carry out the joint planning, construction and operation of integrated electric systems capable of supporting large generating units and of providing the most economical service."

They said that the interconnection was the result of a year's careful and painstaking study to determine its benefits and justifications. "This is the basis on which all the nation's major in-

terconnected systems have been developed," they commented. "And it is the only procedure that can lead to any truly rational system of regional inter-connected grids extending across the nation."

The new interconnection will be the first between the two companies, although they are now interconnected on an indirect basis through an existing system which joins more than 100 electric utilities operating in 32 states.

Benefits To Customers
The benefits from the new interconnection will be of major importance, not only to the two companies but also to their customers, due to substantial operating economies that will be realized. In addition, those utilities which are affiliated with each company's regional power systems will benefit from the new interconnection.

Illinois Power Co., Central Illinois Public Service Co., and Union Electric Co. are members of an inter-connected system known as the Illinois-Missouri Pool. The American Electric Power System is made up of six companies operating in Indiana, Michigan, Ohio, West Virginia, Virginia, Kentucky and Tennessee. So the new interconnection links two important operating utility groups.

Van Wyck said that the new line was a key step in a co-ordinated extra-high voltage development in the Illinois Power territory that eventually will extend to the coal fields of Southern Illinois and open up new generating sites there by 1967-69. Central Illinois Public Service, a member of the Illinois-Missouri Pool, will build a substation at the Illinois terminal of the new line near Sidney, where Illinois Power and CIPS lines interconnect.

Thurs., Nov. 30, 1961 Page 3

Two Top Teams Meet In SIBPA Saturday

First-place Fallstaff Beer of Alton will meet its closest competitor, Fairmont Bowl, in the feature match of Saturday's Southern Illinois Bowling Proprietors Association Classic league session at Belleville's Midway Bowl.

Other 7 p.m. pairings have O'Fallon Ripley Pins going against Loman's Bowling of East St. Louis, Granite City's Bowland Schiltz meeting East St. Louis' Shop City Bowl and Cahokia Bowl rolling last-place Bush Bavarian of East Alton.

The league will be trying to overcome an "off night" last Saturday at Alton, where only five bowlers managed 600 or better. The bowlers averaged 185 pins a game.

Gus Marsala still leads league members with a 208 average. Max Leggo of Bowling & Schiltz is second with a 205 average.

The league standings, including won-lost records and averages: Fallstaff Beer 25-14, 953; Fairmont Bowl 21-18, 908; Ripley Pins 19-20, 908; Bowland Schiltz 19-20, 906; Cahokia Bowl 18-20, 904; Loman's Bowlers 18-20, 903; Shop City Bowl 15-21, 867; Bush Bavarian 16-23, 928.

Civil Defense Meeting Saturday At E. St. Louis

The fallout shelter survey in heads of county and municipal governments and Civil Defense representatives at a meeting at 3 p.m. Saturday at East St. Louis, Col. Donovan M. Vance, state "CD" director has announced.

Interested persons from 19 counties including Madison, will attend the session, where Col. Robert Ritz of the Illinois Civil Defense Agency and Peter A. Machinis of the Chicago Army Engineer District will be speakers.

Turkey Shoot Sunday

The Granite City police department is sponsoring a turkey shoot Sunday from 9 a.m. to 5 p.m. at the police shooting range, 2001 S. Main St. in Granite City.

Firearms and ammunition are furnished with targets costing 50 cents each. Proceeds will go for jackets for members of the junior rifle team which the police sponsors.

Madison, Venice School Boards Plan Joint Meet

Wesley L. Brown and John O. Pier, superintendents of Madison and Venice schools, respectively, announced today that their two school boards will hold a special executive session open to the public, in Venice at 7:30 p.m. Tuesday.

The two boards are meeting to discuss the possibility of organizing a special education district within the two school districts. The proposal is described as being in the "planning stage."

Wilbur R. L. Trimpe, Madison county superintendent of schools will be present.

Parked Car Struck
A parked car belonging to Finley W. Parks, 66, of 1330 Meridian avenue, was struck in front of his home yesterday at 5:40 p.m. Police said that a 1961 Ford, 22, of 1671 Fourth St., was taken from the curb and struck the Parks car, 10 in. injuries were reported.

NARCOTICS CACHE — Granite City Police Chief Raymond Willard (left) points to some of an estimated \$25,000 worth of narcotics found Monday hidden in Charles and Shirley Dicus' apartment at 2004 Grand avenue. The drugs are displayed in three groupings on the table. In the foreground are items found in a telephone company cloth bag, in the center are four bottles identified as stolen from an Alton drug store and in the background are drugs found in the box shown. Looking on are, left to right, Detectives Kenneth Watts and Michael Devine and Chief of Detectives James Lowder.

WAIVING PRELIMINARY HEARINGS yesterday before Justice of the Peace Harry E. Hartman were (seated) Mrs. Shirley Dicus, 20, and her husband, Charles W. Dicus, 22, who were bound over to the grand jury on charges of illegal possession of narcotics and two counts of concealing stolen property in their apartment at 2004 Grand avenue. Shown with them is their attorney, A. Austin Lewis.

If it's the right kind of experience it's always worth the cost.

VHS Bombed By Columbia Here, 83-46

Still troubled by lack of scoring punch and size, Venice high school's basketball squad absorbed its second straight loss Tuesday night in the home opener before Red Devil fans at the VHS gym.

Columbia's Eagles turned the trick this time, rolling to an 83-46 victory in a non-conference contest. The victory left Columbia with a 3-0 mark; Venice is 0-2.

Hoping to find the right combination before the Madison-Clinton-Macoupin counties conference season opens next Tuesday, Dec. 5, VHS Coach Bill Ohlendorf will send the Red Devils against Western Military Academy tomorrow night in Venice.

Ohlendorf worked all possible combinations to no avail Tuesday night against the taller, sharpshooting Eagles. Each of the 13 players on the Red Devil varsity saw some action.

Columbia worked its way to a 39-27 halftime lead and then poured on the coal in the final two periods for the final 37-point margin of victory.

The Eagles had four players in double figures, led by Al Roessler with 18. Jerry Cleo again led Venice scorers with 16 points, but no one else hit in double figures. The Devil's lack of height was evident in the large rebounding edge held by Columbia.

Venice varsity scoring: Jerry Cleo 16, Jim Ebersoldt 7, Pete Fields 7, Don Devany 6, Larry Miller 4, Nay Shambro 3, Don Moat 2, James Hornan 1.

THE LAW

A PUBLIC SERVICE OF
ILLINOIS STATE BAR ASSOCIATION
IN COOPERATION WITH THIS NEWSPAPER

LIABILITY FOR ACTS OF CHILDREN, PETS

When the new baby-sitter arrived at the house to care for little Johnny, she didn't realize what she was in store for. Her four-year-old child, had developed the habit of throwing himself forcibly and violently at the baby-sitter. This night his greeting to the unsuspecting baby-sitter was so ardent that he fractured both her arms and wrists.

The sister wondered if Johnny's parents were responsible under the law to pay her hospital and doctor bills, since they knew of the boy's dangerous tendencies, but failed to warn her of them.

Parents Usually Not Liable
Ordinarily, parents are not liable to persons injured by their children, because they do not direct or control the wrongful act, and therefore are not legally responsible. However, if the act which causes the injury is done at the parent's direction or with his consent, the parent may be liable. And, as in the case of Johnny and the baby-sitter, the parents may be liable if he knows of the child's dangerous tendencies and fails to warn others of them.

Also, a parent may be liable if he gives his child a dangerous instrument knowing that the child is not capable of using it carefully. So, if Mr. Smith lets his inexperienced 12-year-old son use a shotgun, he may be liable to a person accidentally injured by the son.

In contrast, if Mr. Candy allows his 14-year-old son to operate the family motorboat, and the son has done so safely for several years, Mr. Candy probably will not be bound to pay damages to a swimmer injured by the boat.

A knowing failure to prevent use of dangerous articles by the child may be another source of the parent's liability. George Brown, who knew his children threw rocks at passing autos, may be liable for resulting injuries if he takes no steps to stop them.

The Family Car

The same rules pertain to the use of the family automobile by a child. Generally, Illinois courts hold the parent not liable unless the child was driving the car at the parent's request or direction, or on the parent's "business." And so a mother who sends her son to the grocery store, may be liable for the family car's negligence if he takes no steps to provide certain "necessities" for

Your Child's Contracts

Parents are not liable for the contracts of their children, nor must they pay persons who sell goods to their children. There is an exception to the rule: In Illinois, parents have the duty to provide certain "necessities" for

MR. AND MRS. CLUB
INSTALLATION DINNER

The Mr. and Mrs. Club of St. Gregory the Illuminator Church on Maple street met at the Rose Bowl Sunday evening.

Purpose of the dinner was the installation of new officers.

Small gifts were presented to the officers, Mr. and Mrs. Sam Manogian, Mr. and Mrs. Sam Manogian, Amirk Kachigian and Mr. and Mrs. Aram Daikjan.

their children, such as shelter, food, clothing, medical attention, and reasonable education. If the parents fail to supply those items to their children, they may be forced to pay persons who do so.

Liability For Acts Of Pets
Many of us keep domesticated animals, such as dogs, cats, ponies and horses. The owner is liable for injuries caused by a pet if he is aware of the dangerous tendency of the animal and fails to take reasonable steps to warn or protect others.

Illinois has a special rule for dogs: An owner is liable for all injuries sustained by a person when the dog attacks, if the person was in a place where he had a right to be, such as a sidewalk or a public highway. This liability follows whether or not the owner was aware of the dog's vicious nature.

However, if the injured person provoked the dog by kicks or threatening gestures, the owner is not liable; for animals as well as humans have a right to defend themselves from attack.

This column is written to inform and not to advise. No person should ever apply or interpret any law without consulting his attorney. Even a slight difference in the facts may change the result under the law. (The names used in this series are fictitious.)

The Forum
SAYS WATERWAYS TRAFFIC NOT AIDING CITY, COUNTY
TO THE EDITOR:

From time to time the Press-Record publishes articles which discuss the increased tonnage of freight moving through the locks at Granite City, and these articles are of local interest. I believe it would be a good idea to point out however that the tonnage moving through the locks is moving over a transportation artery that was built and is maintained by the federal government with taxpayer money. Also, one may ask what does this increased tonnage through the locks mean to Granite City, and Madison County in terms of increased employment and taxes?

If the tonnage moving through the locks was moving over our railroads what would it mean to Granite City and Madison county in general? Well, we have two large steel foundries in our town that derive a large part of their business from the railroads. These two plants have from 1000 to 4000 employees. Also, there is a sizeable group of our residents who work directly for the railroads, any increase in railroad business is reflected in increased business in our city.

Now what about taxes? How much money does Madison county derive from the waterways system? The answer of course is that government property is not taxable. Considering 1955 taxes paid in Illinois, 65 barge and towing lines paid \$12,000 whereas 60 railroads paid \$32,000,000, and almost 60% of this huge amount goes to the federal government.

I have heard adults belittle the display of patriotism in peace time as childish flag waving and yet profess their willingness to die for their part in the war.

In arriving at a political compromise on redistricting, legislators have enabled Illinois to continue holding Congressional elections by districts, as provided in the Constitution. The confusion and unfairness of a statewide scramble for 24 seats in Congress has been avoided, but this is about all that can be said for it.

Though the most pressing immediate issue has been relieved, the main need still lies ahead. In disregarding their duty on this score, both parties settled for politically-dictated alignments that have satisfied neither of them.

The state is growing in population continually, and existing inequities probably will become further aggravated. The state assembly should address itself to the problem at the earliest possible time.

Highway Safety A Daily, Not Merely Holiday, Challenge
There can be general agreement with Gov. Kerner's plea for more uniform traffic laws and administration as a means of reducing highway deaths throughout the year. In a single year's time, Illinois recorded 800 deaths, 15,000 serious injuries, 90,000 temporarily disabling injuries and \$284,000,000 in financial losses. Any planning for improved highway safety should recognize that the challenge arises every day in the year, not just on busy weekends.

Nationwide records for the Thanksgiving holiday show 443 auto fatalities, a pace almost identical to that recorded during non-holiday Wednesday-evening-Sunday night periods. Whatever methods are used in an effort to cut the traffic toll, they must be directed to the day-by-day specter of

America in the event of a shooting war. Such "patriotism" is typical of those people who enjoy freedom the most but who work to preserve it the least.

The serious threat to our democratic way of life demands that we re-dedicate ourselves to both peace and practice our cherished democratic principles and traditions every day, shooting war or not.

SAYS PLANT CAN STOP PUTTING OUT SMOKE
TO THE EDITOR:
I want to thank the Press-Record for the letter they printed and were so nice about it. We could not have had this story a few years ago but the company heard the committee out by telling them they could stop the smoke and flyash by shutting the Mill down.

I hope there is some union men still here that remember when they were down in January & February and the men used to see the Company they were ready to go to work and they told the committee that was fine but they were not ready to go to work so they gave them

PRaises MORGAN FOR DISPLAY OF FLAGS
TO THE EDITOR:
I say hats off to Mr. Richard Morgan for his fine letter about the urgent need for the respectful observance of Veterans' Day and the mass display of our flag on national holidays.

If his approach is enthusiastically embraced by all of us, we can overcome our widespread apathy and indifference toward the spirit which has guided dedicated American citizens in promoting and preserving our American heritage.

Too many Americans feel that a display of respect for our flag and patriotism for our country is kid stuff, something for Boy Scouts and not for adults.

EDITORIAL

Compromise Fails To Achieve Equal Congressional Districts

widespread highway maiming and property damage, not merely to appeals for caution on specific occasions.

Zoning Not An Expense But A Direct Benefit To Taxpayers

Madison County Taxpayers League officials' opposition to county zoning expenditures is not in the long-range interest of taxpayers. Rather than being an expense, zoning is a direct benefit to taxpayers because it aids county growth, bolstering the tax assessment base.

The county should proceed with a program which has such small cost in relation to what is gained. The benefits of zoning are sorely needed by this county — one of the largest, most dynamic and productive in Illinois.

National Lottery Would Open Door To Other Forms Of Gambling

Critical of "head-in-the-sand officials who refuse to recognize a good thing when they see it," Cong. Paul Fino (R. New York) has been a persistent sponsor of bills to create a national lottery. But he ignores the obvious point that it would be a foot in the door for widespread gambling. This, in turn, would attract gangsters and their corrupting influence.

Main selling point on behalf of a government lottery is that its proceeds could be used to cut taxes. But this would give official sanction to a dilution of public morals. And any tax cut would be a poor return for the disorder resulting when the underworld sought monopolies in other forms of gambling, through collusion with public officials.

Experience locally with condoned gambling has given ample evidence that it cannot be carried out without such infiltration and without an effect on governmental integrity. Viewed in this light, the lottery is not such a "good deal" after all.

Expect Bi-State Approval Today Of Transit Study

A contract between the Bi-State Development Agency and a New York firm for a \$100,000 study of the area's public transportation system is expected to be signed when the Bi-State board of commissioners meet at 2 p.m. today in St. Louis.

Col. R. E. Snyder Jr., Bi-State executive director, said the action to be taken is a "mere formality," since the commission already has approved the contract, pending availability of funds. Necessary money is now on hand, he said.

All of the \$100,000 pledged by six municipal governments in the two-state metropolitan area to finance the survey has been received, with the exception of the \$5000 pledged by Granite City.

The month of March for good measure. I say they can stop this without laying off a single man by putting a device up or a smoke screen.

Thanks to the Press.
ELMER SCHMIDT.

Your Governor Reports

by OTTO KERNER

At the present time, tax-supported services for children in Illinois form a "crazy-quilt" pattern. Varied and overlapping responsibilities are shared by townships, counties, and four agencies of state government — the Department of Mental Health, the Illinois Public Aid Commission, the Illinois Youth Commission, and the Division of Services for Crippled Children of the University of Illinois.

Since children constitute our most valuable resource, the goal is to give both preventive and treatment services and to do so before problems become so serious that costly long-term efforts are required. Some of the services are best provided by private agencies; others must be provided directly by local or state government.

To improve both quality and coverage of services, a Children's Services Division of the Department of Mental Health was established recently to administer the non-psychiatric programs for children in the department. This division includes seven regional offices and five institutions offering programs for dependent and handicapped children.

The regional offices are responsible for child placement, counseling of parents of the handicapped and the mentally retarded, and licensing of child care facilities. They should have

the means to provide a variety of services to families where private resources are not available. The five institutions include: Illinois Braille and Sight Saving School and Illinois School for the Deaf, both at Jacksonville; Illinois Soldiers' and Sailors' Children's School, Normal; Southern Illinois Children's Service Center, Hurst; and the Illinois Children's Hospital-School in Chicago, for severely physically handicapped children.

Today, many parents are confused about where to get services. To reduce this confusion, our aim is to make at least most state-operated services for children available from the same regional centers. We plan to provide separate administration and service offices for non-psychiatric children's programs on the grounds of the proposed community-centered mental health clinics. Additional branch and county offices will assist in making services available locally.

We are recommending legislation for the Division of Children's Services to become a separate administrative unit in 1965 under its own director. The ultimate structure will be determined after a legislative study commission reports its findings to me and to the General Assembly. Next week I will discuss mental retardation and the programs Illinois is instituting in care facilities. They should have

MRS. VYVYNE DUBBIN
1844 VENICE AVENUE — GLeview 2-3385

HONORS MOTHER ON 53RD BIRTHDAY

Mrs. Aruh Ann Marshall, the former Aruh Ann Imhoff, of Murphysboro, was honored by her youngest daughter and son-in-law, Mr. and Mrs. Robert Miller, at the Miller home on Rural Route One Sunday afternoon on her 53rd birthday.

The serving table was decorated with a birthday cake decorated with pink roses and green leaves, and was baked by the honored guest's granddaughter-in-law, Mrs. Jerry Burley.

A dinner was served to 42 guests, and out-of-town guests included Mrs. Della Stearns, Mr. and Mrs. Herbert Marshall and daughter, Dorothy, Mr. and Mrs. Lester Marshall and daughter, Lynn and Wilma, Mr. and Mrs. Kenneth Davis, Mr. and Mrs. Russell Marshall and children, Terry, David and Barbara, and Larry Nelson. Guests attending from Maplewood, Ill., were Mr. and Mrs. Carl Stearns and daughter, Pat, and Mr. and Mrs. Andy Behnisch.

Granite City guests were Mr. and Mrs. Chester Burley and sons, Keith and Richard, Mr. and Mrs. Chester Murphy and sons, and Mr. Raymond Burley. Mr. and Mrs. Raymond Burley, Al Delatoy, Mr. and Mrs. Robert Austin and son, Mike, and Mrs. Pearl Young.

Mrs. Marshall, who is a descendant of one of Jackson county's 18th century pioneer families, has six of her nine children living and has relatives from coast to coast. She has 13 living grandchildren, 48 great-grandchildren, two great-great-grandchildren as well as a brother, Enos, and sister, Mrs. Carrie Herring of Murphysboro.

ISABEL BEVER MEETING PLACE CHANGED TONIGHT

A regular monthly meeting of the Isabel Bever unit of the Madison County Home Bureau, which was to be held this evening at the home of Mrs. Doris Wilson, 2238 Benton street, has been changed to the home of Mrs. Lillian Ruebhausen, 4016 Rode avenue.

Mrs. Irene Davies, unit chairman, will conduct the meeting and the Christmas lesson will be given in order that the members will be able to use the lesson for Christmas. The November lesson will be given at the December meeting.

EVENING CIRCLE MEETS AT MARION HOME

The monthly meeting of the Evening Circle of the United Presbyterian Women's Association of the Namecki Presbyterian Church was held Tuesday evening at the home of Mrs. Twyla Marcella, wife of the pastor of the church.

"Hallelujah, Christ Is Risen" was the topic of the lesson presented by Mrs. Edith Arbogast, and missionary names of the day and month were read by the hostess, who offered prayer.

Mrs. Violet Jeffers reported that the cancer handbag quota for November has been filled, and the association members would meet Nov. 29 at the home of Mrs. Edith Simpson to begin the next month's quota.

Mrs. Louise Thompson, chairman of the circle, announced that the next association meeting will be held Dec. 11 at the church and will be a pot luck supper, Christmas party and installation of newly-elected association officers.

Mrs. Marcella served a late dessert course to Mrs. Arbogast, Mrs. Jeffers, Mrs. Thompson, Mrs. Fern Mitchell, Mrs. Beatrice Pyle, Mrs. Lu Pyle, Mrs. Irma Taylor and two guests. Mrs. Alta Stewart, association chairman, and Mrs. Lois Adams, hostess, were also present.

SING ALONG WITH HERB MEYER AT THE ORGAN FRIDAY & SATURDAY, THE DEN

INSTALLATION PARTY FOR BELLEMORE CIVIC GROUP

The annual meeting, installation of officers and Christmas party for adults will be held by the Bellemore Civic and Improvement Association Saturday at the American Legion hall on Madison avenue.

A pot luck dinner will begin at 6:30 p. m., followed by the annual meeting and installation of officers for 1962. V. A. Harolan will be the new president, and Francis Herring will be the outgoing president. New members of the association are being invited to the dinner. Entertainment will follow the installation.

STUDENTS RETURN

Students returning to Missouri University at Columbia, Mo., after the weekend holiday at home included Harry Evans, Bob Price and Donald Naves. All three are sophomores.

EMR CIRCLE MAKES CHRISTMAS PLANS

The Every Member Busy Circle of the Women's Society of Christian Service of the Namecki Methodist Church met at the home of the chairman, Mrs. Virginia Carroll, 3264 Roder avenue, Monday evening.

Mrs. Carroll conducted the business meeting and also gave the evening's lesson on "Pentecost." The circle decided to make cookies and candy for the church shut-ins, and the MYF will decorate tins for this project.

The chairman announced that the circle will serve lunch to the Coterie on Dec. 7 at the church, and that the December meeting of the WSCS will be a program at the church on Sunday evening, Dec. 3, in lieu of its regular meeting.

The circle made cancer handbags during the meeting and afterwards during a social hour. The next club meeting will be at the home of Mrs. Vera Pittman, 2031 Ames avenue, Dec. 20. Gifts will be taken to the meeting for the primary department of the church. Mrs. Pittman closed the meeting with a prayer.

Other members attending were Mrs. Jane Collins, Miss Morene Groshong, Mrs. Luan Briner, Mrs. Lexie Vick, Mrs. June Hubert, Mrs. Iona Niemeyer, Mrs. Gladys Russell, Mrs. Beas Causey and Mrs. Ruth Hancock.

ELECTS OFFICERS

The Bethany class of the Emmanuel Baptist Church on Pon-toon road met Tuesday evening at the home of Mrs. Meriam Sheriff of Benning road.

The meeting opened with songs by the class, followed by prayer by two of the members. Three new officers were elected: Mrs. Edna Stagner, vice-president; Mrs. Ellen Badgett, secretary-treasurer; and Mrs. Lena Kraft, group captain.

Mrs. Lucile Crews, president, conducted the business meeting and plans were made to hold the Christmas party on Dec. 19 at the church. It is to be a pot luck supper and will start at 6 p. m.

New books for the coming year were distributed. "Praying With Thanksgiving" was the topic of the lesson and devotion given by class teacher, Mrs. Ina LeGrand.

Mrs. Sheriff served a late dessert course to the newly-elected officers and Mrs. Crews, Mrs. Eva Godwin, Mrs. Louise Chisick, Mrs. Virginia Manning, Mrs. Peggy Smith, Mrs. Evelyn Sadler, Mrs. Wanda Davidson and Mrs. Harriette Brown.

MAGIC SHOW AT CUB PACK 22 MEETING

Cub Pack 22, sponsored by the Frohardt PTA, held its November meeting Tuesday evening at the school, with George Guika, cubmaster, in charge.

The opening flag ceremony was given by Den Eight and songs were led by Den Nine. Guika announced that candy sales are in progress and den mothers may obtain more candy from Evelyn Holter.

The pack committee will present prizes for the most sales, both by a den and individual cub scouts. The den prize will be a roller skating party, and prizes for cub scouts will be a scout knife, an identification bracelet and a pen set.

Guika announced that the roundtable meeting will be held at 7:30 p. m. Dec. 4, the committee meeting at 7:30 p. m. Dec. 13 at Frohardt school and the next pack meeting Dec. 19 at the school. The Christmas party will be at the latter meeting, and all cubs are to bring a 30-cent gift. Parents are to bring a gift for their other children, with the child's name on the package.

After announcements, a brief ceremony was held and Guika installed Harry Hillman as the new cubmaster. Hillman then presented awards to cubs who had earned them.

The evening's entertainment was furnished by Frank Patch, who with his two sons, Gregory and Michael, performed feats of magic.

Den Three was presented with an award for the highest percentage of parents attending the meeting, and the closing ceremony was given by Den Two. Refreshments were served by the mothers of Dens One and Four.

RETURNS TO SCHOOL

Fred Hacke Jr., son of Mr. and Mrs. Fred Hacke Jr., 2516 Benton street, returned Sunday to Columbia, Mo., where he is a sophomore at Missouri University, after spending the Thanksgiving holidays at home.

His grandmother, Mrs. Charles Forrester of DeSoto, Mo., also was here for the holidays and will have an extended stay with her daughter and son-in-law.

BRIDAL SHOWER HONORS MISS PHYLLIS HAYES

Miss Phyllis Hayes, who will become the bride of Matt Barnes on Dec. 2 at the City Temple Assembly of God church, was complimented with a bridal shower Monday evening by Mrs. Rusty Knapp in the Knapp home, 1517 Mitchell avenue.

White wedding bells in loops of pink and blue streamers formed the background for the party decorations and were centered over the gift basket which also was decorated in pink, blue and white. Miss Hayes was assisted in opening the many gifts by Mr. Barnes.

Games were played, with prizes won by Miss Becky Shaw, Miss Reldeth Mathenia and Miss Janice Reed.

A late dessert course was served by the hostess, and the serving table was centered with a bride-topped cake.

The other guests were Mrs. Mildred Hayes, mother of the honored guest, Miss Sharon Chappell, Mrs. Dorothy Fick, Mrs. Janice McGinnis, Mrs. Gloria Davis, Mrs. Betty Johnson, Miss Betty Wyatt, Miss Carol Rudnicki, Miss Barbara Stagers, Miss Trudy Keel, Mrs. Ruthie Patton, Miss Karen Shelton, Miss Karen Hayes, Miss Shirley Ross, Mrs. Thelma Knapp, Mrs. Betty Hayes, Mrs. Alpha Barham, Mrs. Opal Glenn, Mrs. Edith Ross, Mrs. Joyce Hayes, Mrs. Myrna Schofield, Miss Judy Green, Miss Bonnie Pirtle, Mrs. Harriett Glasco, Mrs. Judy Hastings and Mrs. Betty Mayfield.

CRADLE SHOWER FOR MRS. RAY

Mrs. Geraldine Ray was complimented with a cradle shower Wednesday evening at the YMCA by Mrs. Minnie Sandweg, Mrs. Florence Hagmann and Mrs. Juanita Blevins.

A large stork, complete with infant in its beak, dominated the gift table, which was decorated in pink, blue and white.

The U-shaped serving table also was decorated in the same colors, and miniature dolls in white cradles were given to each guest as a favor.

Games were played, and prizes were awarded to Mrs. Juanita Libby, Mrs. Irene Puhse, Mrs. Edna Forrest, Mrs. Jackie Dil-

Eight Motorists Given Tickets By Radar Police

Eight motorists were issued arrest tickets Tuesday by Granite City police operating a radar timing device. All were released on bond.

Receiving tickets were Robert J. Swiatek, 26, of 2314 Lincoln avenue, Donna Watson, 21, of 2533 Benton street; P. A. Bailey, 48, of Belleville; Kenneth R. West, 38, of 2530 Namecki road; Roger A. Atkinson, 35, of 2835 Grand avenue; Gary L. Miller, 19, of 2909 Cayuga street; Conrad E. Eads, 35, of 2623 State street, and Charlton E. Williams, 29, of 2444 Edison avenue.

Mr. and Mrs. Nancy Distler, Mrs. Mary Lee Lurton, Mrs. Barbara Polley, Mrs. Florida Batson and Mrs. Lovetta Ray.

A late buffet supper was served by the hostess to the prize winners and Mrs. Barbara Elmore, Mrs. Rose Elmore, Mrs. Virginia Sanders, Mrs. Mary Polley, Mrs. Judy Blevins, Mrs. Helen Nispet, Mrs. Lois Kimbrell, Mrs. Harriet Hoff, Miss Annette Steverson and Mrs. Vyvynne Durbin.

HOLIDAY VISITORS RETURN HOME

Mr. and Mrs. Robert Ruppel, 2545 State street, had as weekend visitors their three sons, Robert, a lieutenant in the Air Force, who returned to Dover, Del., after having just completed an assignment in France; Ronald, a sophomore, who returned to Missouri University at Columbia; and Richard Ruppel, who also returned to Columbia, Mo., where he is a senior.

Mrs. Richard Ruppel accompanied her husband.

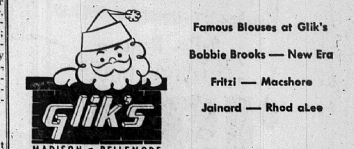

ANVET AUXILIARY MEETS

A monthly meeting of Anvet Auxiliary Unit 51 was held Monday evening at the Anvet hall, 5100 Lakeview drive, with Mrs. Dixie McNeill, president, conducting the meeting.

A discussion was held, and the group decided to buy hats for the auxiliary members. Present were Mrs. Marie Walker, Mrs. Nadine Harrison, Mrs. Jewel Taylor, Mrs. Burt Macios, Mrs. Betty Wilkins, Mrs. Nadine Summers and Mrs. Katherine Gogolian.

The beloved roll sleeve shirt with the jaunty Italian collar by MACSHORE. Drip-dry cotton in sizes 30 to 38. Available by FRITZI in the same style in a drip-dry blend of 65% Dacron Polyester and 35% cotton at \$3.98.

Postmasters Advise—

'Early Mailing' Biggest Factor For 'Yule' Delivery

Stressing the need for everyone to cooperate on the 1961 "Mail Early For Christmas" Campaign, Postmasters Theodore Overbeck of Granite City, Harry R. Johnson of Madison and Charles Simmons of Venice said today, "Early mailing of all Christmas cards and gifts is the biggest single factor in getting everything delivered before Christmas."

"Naturally, the Post Office Department plans to expand its facilities and to provide extra help during the Christmas rush," they said. "But in the final analysis, if you'll follow these simple rules, you can be certain not to disappoint friends and loved ones on Christmas Day—Wrap your Christmas gifts securely, be sure they are addressed clearly and correctly and mail all your gifts and cards early."

The postmasters said further, "We hate to see folks take chances on mailing poorly wrapped packages. Despite careful handling every year, too many packages break open in transit and too often we have to puzzle over names and addresses which are incomplete or simply cannot be read at all."

If you have any articles of unusual size or bulk, better check with the post office before attempting to mail them," the postmasters warn. The limits on size and weight of packages varies, depending on where you mail your package from. As an extra precaution against loss, the postmasters advise placing both return address and

the recipients address inside the carton or package before it is wrapped.

"If you use Christmas stickers or seals, put them on the back of your Christmas cards and on packages so that they will not conflict with the address on the front. Make sure that correct postage is firmly affixed to each card and package. When mailing gifts, it's a good idea to place a piece of transparent cellophane tape over the address portion of the label to prevent defacing it in transit. And always be sure of course, to include the recipients full name, street address, city, zone and state."

"Because the entire Christmas mailing period is primarily a battle against time, do it now! The slogan from here on in is 'put off your Christmas mailings while you still have ample time because this means that dreaded pile-ups will occur at the post office, causing inevitable slowdowns in deliveries as the holiday approaches.'"

The postmasters ask the cooperation of all business firms to delay mailing circulars and catalogs until after Dec. 25th, to keep the mails clear for the Christmas rush.

The postmasters said they are most appreciative of the interest and cooperation shown by the mailing public so far, and issued a reminder that all mail going long distances should be sent by Dec. 10 Christmas packages for local delivery should be mailed not later than Dec. 15, and Christmas cards for nearby destinations should be mailed at least a week before Christmas.

GC Chevalliers Install Highland DeMolays

The installing degree team of the Granite City Court of Chevalliers went to Highland Monday evening to install officers of the Highland Chapter, Order of DeMolay in the Highland Masonic temple.

The installing officers were—George Slattery, installing officer; Gilbert Watson, senior counselor; Charles Meyer, junior counselor; Jack Kulenkamp, marshal; Robert Holton, chaplain, and Roland Kennedy, senior deacon.

Advisor of the Highland chapter is Howard Robertson, a past master counselor of the Granite City chapter and a former resident of Mitchell. He was a football star at Granite City high school and the University of Missouri.

Madison 'R' Club Installs Officers At Dinner

The Madison "R" Club 171 of the Nativity of Virgin Mary Eastern Orthodox Catholic Church held its installation of officers this week at the Smorgasbord restaurant.

Installed were Vladimir Fryntko, president; George Butchko, vice president; Mrs. Ruth Tedesco, secretary; Mrs. Clara Popovychak, treasurer; Mrs. Sophia Dutko, district representative. The retiring president is John Dutko.

The installation service preceded a dinner at which Rev. Father Theodosius Lazor presided. He was guest speaker and narrated slides taken on a recent stay in Europe.

There were 28 persons present including guests, Rev. and Mrs. Kirik Antonoff and Mr. and Mrs. Thomas Allen of St. Louis.

Denies New Trial For Two Convicted Killers

Motions for a new trial for convicted killers James D. Leham and George R. York were denied Monday at Russell, Kan., by District Judge Benedict P. Cruise. The two have been sentenced to hang for the murder of a Kansas railroad man.

Before they were captured last June 10 near Grantsville, Utah, the two youths went on a crime spree which began May 29 and included the killing of seven persons—two in Madison county.

On June 8 the two AWOL soldiers shot and killed Albert E. Reed, 58, of Litchfield, and beat to death Martin Drenovac, 69, at his Twin Oaks service station near Mitchell. Reed's body was found near Peters Station, where he was dumped after the killers took his car.

The pair was convicted by a Kansas jury Nov. 7 of the murder of Otto Ziegler of Oakley, Kan., and sentenced to hang. Attorneys had sought a new trial on grounds that the prosecution had used an improper argument to secure the death penalty by stating that life-term convicts serve an average of only 13 years in Kansas.

\$10 Fire Loss At Home

A short circuit at a wall switch on the second floor of the two-story frame home of Ival L. Floyd, 2227 State street, caused an estimated \$10 damage about 7:10 p.m. Tuesday. Firemen from the main station answered the alarm.

BETROTHED, Miss Geraldine Frances Barry, whose engagement to Paul A. Eads, a son of Mr. and Mrs. Walter H. Bomberger, 2415 Pine street, is announced by her parents, Mr. and Mrs. Michael H. Barry, 1713 More avenue. The bride-elect is employed at a local beauty shop. Her fiancé is a Granite City Steel Co. employee. A late August wedding is planned.

WCTU WILL HOLD CHRISTMAS PROGRAM
The December meeting of the Woman's Christian Union will be held at 7:30 p.m. Friday in the home of Miss Margaret Barker, 2615 East 25th street. Mrs. Lester Turnbull will lead the devotional service and a Christmas program will be given. The meeting will be presided over by Mrs. William Schooley, president.

SING ALONG WITH HERB MEYER AT THE ORGAN FRI DAY & SATURDAY, THE DEN.

Club Nominates New Officers
The November meeting of the Welcome Wagon Club was held Tuesday evening at the Bowland Club rooms and following a report of the nominating committee new officers were named. The staff will include Mrs. Erna Morrow, president; Mrs. Arlene Walker, vice-president; Mrs. Lorraine Decatur, secretary; and Mrs. Eleanor Ethier, treasurer. They will be installed in January.

Mayor Honored By Golden Agers
Approximately 70 members and several guests attended a meeting of the Golden Age Club Tuesday at Kirkpatrick Homes Recreation Center. Dinner was served and Mayor Leonard Davis, one of the special guests, was presented with a plaque and made an honorary member. Other guests attending were H. D. Karandjef, Milton Allen and W. E. Loye.

VISIT BROTHERS
Mrs. Walter Donley and Mrs. M. R. Riddell, of Anderson, Ind., have returned to their homes after a week's visit at the homes of their brothers and sisters-in-law, Mr. and Mrs. Arthur Cariss, 2908 Madison avenue, and Mr. and Mrs. William Cariss, 2143 Waterman avenue.

Secretary Group Plans Christmas Party, Exchange

Plans for a Christmas meeting to be held at 6:15 p.m. Dec. 7 were made at a meeting Tuesday evening of the Tri-Cities Chapter of the National Secretaries Association board of directors at the A. O. Smith Corp. plant. The affair will take place at Rusty's restaurant in Edwardsville.

Eileen Davidson, Betty May, Fay Mercer and Charlotte Vanzo, officers of the local chapter, heard reports from Dorothy Lawrence, chairman of the education committee, and Esther Rensing, who heads the ways and means committee.

Members who affiliate with the Tri-Cities Chapter from Jan. 1 through June 1, 1962, will pay \$4.50 less dues than those who have joined the group to date to compensate them for the half year missed. Each member is to bring a guest to the December meeting and novelty gifts will be exchanged.

The regular meetings of the official board are to be held on the third Tuesday of each month with the next scheduled for Dec. 19.

VISIT'S FIT BAR-B-Q
F. M. Rippey of Edison avenue, accompanied by his daughter, Mrs. Hazel Pierson, spent the weekend in Scottville, Ky., with his sister Mrs. Donna Mayhew who is hospitalized there.

Herman Gattung Is Honored On Ninetieth Birthday

Herman Gattung, 2301 Logan street, celebrated his ninetieth birthday this week at the home of a son-in-law and daughter, Mr. and Mrs. Lloyd Canley in Cuba, Mo.

A resident of Granite City for 39 years, Mr. Gattung was employed here and lived in St. Louis prior to moving to the Logan street address. He was a pipe fitter at the General Castings Corp. and was also employed by the Laclede Steel Co. and in the stock room of the R. Dron Electric Co.

He has a son, Harold, of Granite City, and three, Mrs. Etola Kruescheck, also of Granite City, Mrs. Gladys Broughton of California and Mrs. Cantley of Cuba.

A turkey dinner was served to 14 members of the family and motion pictures taken by a grandson while in military service in Germany were shown.

Present from Granite City were Mr. and Mrs. Harold Gattung and sons, Kenneth and Kevin, Mr. and Mrs. George Nemeth and daughter, Lori Lee, and Miss Nellie Kimberlin of Granite City, as well as other members of the family from St. Louis, Springfield, and Cuba, Mo.

Holiday Theme For 1st Band Concert At GCHS

A Christmas theme will be followed as the Granite City high school band opens its 1961-62 concert season at 8 p.m. Thursday, Dec. 7, in the school auditorium, Director Louis E. Meek reported today.

Exact selections to be presented have not yet been chosen, but plans call for the program to open with a 15-minute performance by the McKinley division elementary school band, conducted by Frank Meyer. Music by the GCHS band, under the baton of Meek, will conclude the evening.

The concert will be the first of a series of four, for which season tickets are being sold by band members. Individual admissions also are accepted. The remaining dates are Jan. 18, Feb. 22 and April 5.

Students in the high school band total 125, and 50 are used for concerts.

4 Local Sailors Take Part In Coast Maneuvers

Four local sailors took part in recent Navy-Marine Corps maneuvers off the coast of California, which featured anti-submarine warfare operations, missile firing, carrier operations and an amphibious assault.

Taking part were Richard T. Crnkovich, gunner's mate seaman, son of Mr. and Mrs. John N. Crnkovich, 1821 Madison avenue, aboard a tank landing ship; Wayne L. Johnson, interior communications electrician, third class, son of Mr. and Mrs. Cecil C. Johnson of Rural Route One, aboard the flagship USS Eldorado; Ronald F. Riess, seaman, son of Mr. and Mrs. Gelindo J. Riess, 2153 Edison avenue, aboard a dock landing ship; and Theron L. Hogue, seaman, son of Mr. and Mrs. S. L. Hogue, 1734 Grand avenue, aboard a tank landing ship.

New Girl Scout Council To Elect Officers On Dec. 6

The organizational meeting for River Bluffs Girl Scout Council will be held in Collinsville at the Webster Junior high school auditorium, Clinton and Church streets, next Wednesday at 7:30 p.m. About 600 are expected to attend. All volunteer and professional adult Scouts are invited. Mrs. John H. Marsh of Belleville will preside.

In an impressive opening ceremony older Intermediate and Senior Scouts representing communities which comprise River Bluffs Council will march into the auditorium bearing American flags. This marching of the colors will be a prelude to the deliberations of the organizational convention.

At the final meeting of the River Bluffs Council development committee held in United Steel Worker Hall in Alton last week, Miss Shirley Hutchinson, Council advisor from the Chicago regional branch office, outlined the responsibilities of the board of directors of the delegate council and of the professional and volunteer workers.

The delegate council is composed of three members from each of the 35 neighborhoods under the jurisdiction of the River Bluffs Council which covers the counties of Monroe, St. Clair, Madison, Jersey, and parts of Macoupin. The delegate council's function is to give direction to the board in initiation and implementation of program and services.

The board of directors has management function: plans, delegates and reviews, and shares policy.

The board's plans are executed through the cooperation of adult and girl scouts in neighborhoods and districts under direction of the standing committees.

Two Local Candidates
Mrs. George E. Eubanks of Granite City, chairman of the nominating committee will present the following slate of officers to be elected:

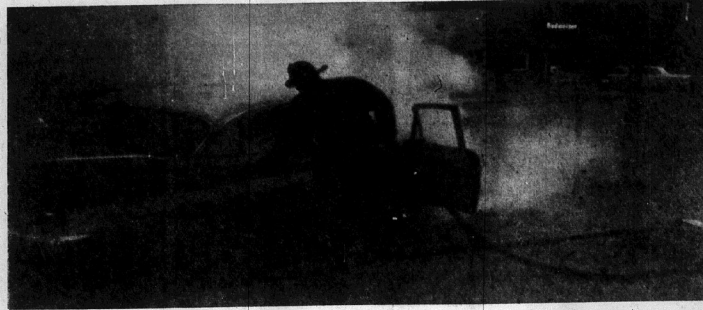

President, Mrs. John H. Marsh, Belleville; first vice president, Mrs. George E. Eubanks; second vice president, Mrs. Dale LeMasters, East St. Louis; third vice president, Mrs. Robert Schaefer, Edwardsville; secretary, Mrs. Richard A. Koesterer, Freeburg; and treasurer, Mrs. Jesse Tawney, Madison.

District chairman: District 1 — Mrs. Russell E. Grisham; District 2 — Mrs. Victor H. Gunther; District 3 — vacant; District 4 — Mrs. Harold Brown; District 5 — Mrs. Elmer Schuessler; District 6 — Mrs. Charles F. Allen.

Committee chairman: public relations — Mrs. Byron L. Morgan; personnel — Mrs. Edward Kapes; finance — Mrs. Dudley F. Giberson; program services — Mrs. Theodore C. Schaefer. Members-at-large: Mrs. Robert Blomeyer, Collinsville; Mrs. William Delicate, Edwardsville; Mrs. B. J. Hunter, Edwardsville; Mrs. Charles Rodell, Granite City; Mrs. Charles Delp, Granite City; Mrs. Fred W. Moore, Belleville; Mrs. Guy Northcutt, Brighton; Mrs. Glenn Saxton, East Alton; Mrs. Lorena Gillespie, East St. Louis; Mrs. Matthew Gormley, Alton; Mrs. John Grieve, Belleville; Mrs. Joseph Foderka, East St. Louis; Mrs. Fred W. Wienel, Columbia.

Television Panel Show Appearance Postponed
A taped television program featuring Mrs. Rebecca Garner, former Madison resident who is now a wild animal trainer for the Kelly Miller circus, was scheduled for view Monday night over channel four, but has been postponed for at least a week by network officials.

The former Rebecca Appony of 1934 Fifth street, Mrs. Garner is a guest on the "To Tell the Truth" panel program which was pre-recorded earlier this fall. The program on which she is a guest is now planned for either next Monday or Dec. 11, Mrs. Garner's father told the Press-Record.

\$650 FIRE LOSS to a 1957 auto which burst into flames about 4:20 p.m. Tuesday as it was being driven away from the curb in the 1800 block of Delmar avenue. Firemen attributed the blaze to a leaky gas line. The driver, Ronald Gushoff, a teller at the First Granite City National Bank, and two passengers, Wendel Kennerly and Jack Cook, also bank employees, jumped out and escaped injury. Gasoline from the auto dripped into the street and

also was ablaze. It was washed away by firemen from the main station, who used a booster hose to douse the flames which started under the hood and quickly spread to the interior of the car under the dashboard. The top photo shows firemen extinguishing the flames under the dashboard, while the photo to the right shows the flames spreading before firemen arrived. The car was owned by Tri-City Motor Co.

Granite City PRESS-RECORD
Purse, Papers Lost
Page 14 Thurs., Nov. 30, 1961

Film On Communism To Be Shown At Church

The controversial film, "Operation Abolition," depicting communist inspired demonstrations which occurred during a hearing held in San Francisco in 1960 by the House of Representatives Committee on Un-American Activities, will be shown at St. Bartholomew's Episcopal Church on Monday, at 8 p.m.

There will be no other program or service in connection with it, and the public is invited to attend. The film is being used as a part of a teen-age study course on communism, and will be shown to the class at another time. The film was condemned by the National Council of Churches and other groups.

GC Man Injured By Falling Tree In St. James, Mo.

Harold Gardner, Rural Route One, Granite City, a power truck operator and union steward at the A. O. Smith Corp. plant, is hospitalized in St. Mary's Hospital, Jefferson City, Mo. Attending physicians say Gardner, who was admitted Nov. 23, will be there for about six weeks with a back injury.

He was injured when a tree, which he was cutting, fell on him. Gardner was at his father-in-law's farm, William Wise, at St. James, when the accident occurred. His wife and three children are staying at St. James until his dismissal.

Free Christmas 'Talking Letters' To End Saturday

With only a small response so far, the Tri-City Chapter of American Red Cross is hoping for increased interest this week-end before its "Talking Christmas Letters" program ends. There is no charge for the recording service for families of overseas servicemen.

The free recordings may be made at the State Radio and Television Co., 1936 State street, until 4 p. m. today; from 10 a. m. to 4 p. m. tomorrow; between 6:30 and 8:30 Friday evening; and from 10 a. m. to 4 p. m. Saturday the final day.

Those eligible are the wife, children, parents, brothers, sisters or fiancée of men in the service.

armed forces stationed overseas. Record, Envelope, Photo. The Red Cross is making the recording location, and is providing the records and mailing envelopes, plus an immediately-printed photograph of those expressing their holiday greetings. All that each family needs to add is the postage cost, about 28 cents.

The two sides of the records afford ten minutes of speaking time.

Those participating are advised to prepare advance notes so that items of information will not be forgotten in the excitement of the recording session.

Work Proceeds On New '62 Budget For County

Meetings of the county board finance committee, working on a 1962 budget, indicate a recommendation will be made for a tax rate referendum along with the general election next November in an effort to solve the county's financial plight.

The committee has been meeting this week in Edwardsville to develop the budget and to hear requests by county officers.

The detention home committee, headed by William B. Webb Jr. of Granite City, also plans a referendum on a bond issue to build the home. The committee is to meet today and will report to the finance group.

2 Quad-Cityans Named Chorophonic Officers

Two Quad-Cityans were elected to office in the Southwestern Illinois Chorophonic Society during a meeting Tuesday evening in Belleville. About a dozen local singers belong to the group of 130, directed by Dr. Harold E. Headley, music director of the Alton center of Southern Illinois University.

Officers elected were—president, Mrs. Sue Hawkins of East St. Louis; vice-president, Mrs. Alina Wolke of Dupo; secretary, Mrs. Elvera Herman of Granite City; treasurer, William Gushoff sr. of Madison; and librarian, Mrs. Mary Jane Chambliss of East St. Louis.

ST. JOHN CHURCH (above) on Namek Road which is to begin observing its centennial on Sunday with the dedication of a new eight-room parsonage.

In the photo to the right is St. Peter Church at 21st street and Cleveland blvd., which is to observe its 50th anniversary also on Sunday. In the center of the photo is the entrance to the new education wing and at the far right is a portion of the parsonage.

Both are United Church of Christ denominations, formerly Evangelical and Reformed Churches.

Volunteers To Be Honored Sunday At Alton Hospital

Alton State Hospital's recognition program for volunteers will coincide this year with the 10th anniversary of volunteer service in Illinois, according to Mrs. Marjorie Dantelmann, volunteer supervisor.

The event will be held Sunday at 3 p.m. in the nurse's home with Dr. Abraham Simon, hospital superintendent, presiding. William E. Skadden, health educator from Springfield, will be the guest speaker.

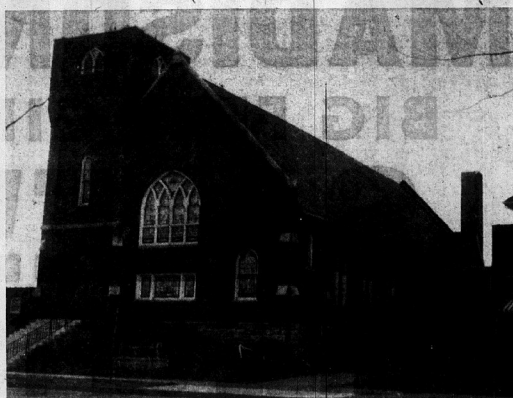

The program will feature a presentation of awards to volunteers and a recital by the hospital club under the direction of Mrs. Bess Westbrook. Mrs. Dantelmann said 32 members would be honored, three of which will receive awards for having served over 1300 hours.

A reception in honor of the volunteers will follow the program, stated the supervisor. She said the public is invited.

Depot Needs Mechanic

The Granite City Engineer's Depot is in need of an engineer equipment mechanic (fuel and electric systems). The rate of pay is \$294 to \$304 per hour, with vacation and sick leave benefits. For information as to experience requirements, contact the civilian personnel office at the depot.

Total Of 160 Years

Two Churches Observing Anniversaries On Sunday

Two local churches of the same denomination (United Church of Christ) are to begin observing anniversaries Sunday, marking 160 years of service to the community.

The older, St. John United Church of Christ, 2901 Namek road, will start the observance of its centennial which will be continued next year; while St. Peter Church of Christ, 21st street and Cleveland blvd., will hold special services Sunday for its 50th anniversary.

Dr. Charles F. McCall Jr., state superintendent of the Illinois Conference of Congregational Christian Churches (now a part of the United Church of Christ), will be guest speaker at the 9 a. m. and 10:20 a. m. services at St. John Church, where a new eight-room parsonage is to be dedicated to open the centennial celebration.

At St. Peter Church, the guest speaker will be Dr. Allen G. Wehrli, professor of Old Testament at Immanuel Seminary. Also participating in the services will be the pastor, Rev. Robert Baumann, and pastor emeritus, Rev. H. H. Wintermyer. The chorale choir will be under the direction of Mrs. Gordon McAllister, and special honors will be given three charter members enrolled Dec. 1, 1901—Mrs. Marie Kierman of St. Louis and John Lerch and Mrs. Louise Brummer of Granite City.

In the evening, St. Peter Church congregation will hold a dinner, during which a program will feature the history of the church.

At St. John Church, ceremonies will be conducted in which the key to the new parsonage will be presented to the congregation, presented, Carl Burdett, by the contractor.

Open house at the parsonage will be held from 1:30 to 5 p.m. and refreshments will be served.

Traffic Light Charge

Charged by Granite City police with running a red traffic light Tuesday at 10:25 a. m. was Alma Walk, 38, of 4921 Mueller, who posted her driver's license at St. Louis.

UF Directors Believe Goal Can Be Reached

The Tri-Cities Area United Fund board of directors, at a regular quarterly meeting Tuesday at the YMCA, passed a motion calling on all board members and agency representatives to rededicate themselves to the challenge of raising the goal for 1962.

The action followed a prepared campaign progress report presented to them by John Solenberger, UF executive director. As of that time, Solenberger reported that \$278,460 or 93.3% of the goal was pledged.

Solenberger said that the board of directors offered their services to the campaign organization to work together to reach the goal. "They believe the goal can be attained," said Solenberger, "and that people who have not donated, would give if reached or contacted and others who have already given would, if they realized how serious the situation is, give an additional contribution to put the campaign over."

Board members have scheduled a further meeting Tuesday, Dec. 12 to determine the progress being made.

Gibson To Attend Young Democrats Convention

Robert Gibson, president of the Young Democrats of Illinois, left Tuesday for Miami, Fla., where he will take part in the Young Democrats national convention, which is to feature talks by President Kennedy and Vice-President Johnson.

Gibson left early to aid in preparing for the convention which is to begin Sunday and is expected to draw over 2000 delegates from the 50 states. The local precinct committee man also is a member of the Young Democrats national committee.

The local Democrat is heading a delegation of 60 from the state, and the group will spend a week attending the sessions at a Miami Beach hotel.

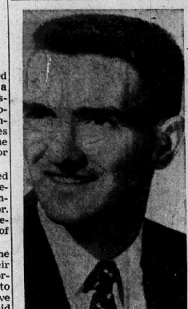

While in Florida, Gibson, who is state community services director for the Illinois AFL-CIO, also will attend the national AFL-CIO convention to be held in Miami Dec. 7-14.

Be easy-going, but it never seems to slow down to a standstill.

Imle, who was principal speaker at the 10-county meeting, and Session Chairman Eugene Berghoff of Bethalto, assistant property tax supervisor with the department, stressed uniformity and said the department also was interested in raising the salaries of assessors to a fair scale.

Spalding Hospitalized

Donald G. Spalding, president of the Community Coach Co. is at St. Mary's Hospital in Clayton, Mo., for treatment of an intestinal virus infection. Mrs. Spalding said yesterday her husband, who entered the hospital Nov. 19, is slightly improved. He resides at 2415 Pontoon road.

DONALD B. HAYES, who was this week named trust officer for the Granite City Trust & Savings Bank.

D. B. Hayes Named Trust Officer At GC Trust

E. A. Karandjeff, president of the Granite City Trust & Savings Bank, announced yesterday the appointment of Donald B. Hayes as trust officer for the bank.

"The addition of Donald Hayes carries forward Granite City Trust's policy of consistently offering the best possible banking service to its customers," Karandjeff said. "Mr. Hayes' excellent background will be a definite asset in the expansion of the bank's trust facilities which were established over 40 years ago."

Hayes is the first full-time trust department head in the area. At the Trust Bank, President Karandjeff also had served as trust officer.

The new trust officer has a degree in economics from Butler University. He also is a graduate of Northwestern University's Trust Development school. Prior to joining the local bank, he was in charge of the trust department at the American National Bank in Noblesville, Ind.

Hayes, his wife and three children are residing in Granite City. They are members of the Methodist Church and he is a member of the Elks and Masonic lodges.

Girl Scout 'Festival Of Giving' Sunday At GCHS

Quad-Cities area Girl Scouts will present Christmas food baskets to the Salvation Army, Catholic Charities and the Protestant Welfare Association in two special "festival of giving" programs Sunday afternoon at Granite City high school memorial gymnasium and the Madison Memorial Recreation Center.

Along with ornaments to decorate large Christmas trees at the two program locations, the Girl Scouts from five community neighborhoods have donated four, sugar, coffee, canned milk and other staples to feed Christmas baskets for needy families.

The program for Neighborhood One, Madison and Venice, will be held at 1:30 p. m. at the Madison Recreation Center. Seventh street and Lee avenue. Neighborhood Two, through the city will present their baskets at 2 p. m. at the Granite City high school gymnasium.

Mrs. Lucie Milkovich, 1708 Premen avenue, is general chairman of the 1961 "festival of giving," which is an annual event conducted by the Girl Scouts.

The program at Granite City high school will open with a flag ceremony by Troop 34, followed by a welcome address by Mrs.

George Eubanks, president of the Tri-Cities Girl Scout council. Also on the program are a tree trimming and a carol singing, the latter led by Mrs. Kenneth McQuinn with Jack Johnson at the organ.

Christmas baskets will be accepted by William G. Harris, president for the Protestant Welfare Association, and by Rev. Charles Mulcrone for the Catholic Charities.

Mrs. Julie Bartels and Mrs. Louis Santiago will be in charge of the basket presentations.

At the Madison program, Mrs. Mary Massman, neighborhood chairman, will give the welcome address following a flag ceremony by Troop 17. Miss Mildred Walker will accept the Christmas baskets on behalf of the Salvation Army.

Entertainment will be provided by square dance groups under the direction of George Kayich and Mrs. Charles Wandaugh. Mrs. Genowood Miller is program chairman for the Madison and Venice neighborhood presentation ceremonies.

About 150 local Girl Scout troops will participate in the two "festival of giving" programs.

Overheated Oil Stove

Causes \$40 Fire Loss

Firemen from the West Granite station were called at 8:30 a.m. Wednesday to the three-room frame home of William McCall, 2818 (rear) Denver street, where an overheated oil stove in the living room caused about \$40 damage to the ceiling on the exterior of the building. The firemen said the flue pipe became hot and ignited the ceiling. There was no damage inside the house.

Bukovec, Mrs. Dornie Miller, Thelma Severs and Henry Skinner.

VISIT IN MISSOURI

Mr. and Mrs. Kenneth McDowell and children, Eddie and Connie went to Kennett, Mo., to visit with McDowell's parents and Mrs. McDowell's brother, Mrs. McDowell's mother.

Richard Slezka held a party in his home Sunday.

Those present were Judy and Ricky Peeler, Dennis Ragsdale, Jerry Slezka, Mike Woloski, George Smith, Tom Slezka, Bill Barger, George Tresch, Joe Kruse, Donna Merzhe and Norma Seper. The party was chaperoned by Mr. and Mrs. Jay Peeler, Mr. and Mrs. John Ragsdale and Mrs. Van Kuehn.

Mr. and Mrs. Loman Lankford had as guest for the week-end Mrs. Parish, Mrs. Lankford's mother.

Attempted Suicide

Police reported that Linda Butchings, 19, of 2281 Lee avenue, was taken to St. Elizabeth Hospital Monday at 10:30 p.m. by her husband after she had slashed her wrist and taken a patent medicine. She was treated and released, police said.

Posts \$100 Bond

Louise Fowler, 41, of 2144 Ontario avenue, who appeared at Granite City police headquarters yesterday morning, was served a warrant charging him with disorderly conduct. He posted \$100 bond for his release. The complaint was filed by Lola Parnaszewski.

\$25 Fire Damage To Car

A blaze at the carburetor of the 1953 auto of Dennis Boone, 2705 Sunset drive, caused about \$25 damage, it was estimated by Namoki road station firemen who answered the alarm about 3:45 p.m. yesterday in the 2800 block of Marshall avenue.

Smoke Alarm At 2:35 A. M.

A smoke alarm was answered about 2:35 a.m. Wednesday at the six-room frame home of J. P. Busch, 1615 Clark avenue, where the occupants were aroused by the smell of smoke. Firemen from the Namoki road station answered the alarm.

Your opinion means nothing unless you get others to endorse it.

Hodge Case Decision 'Before Xmas'—Kerner

(Special from Springfield)
At a press conference this morning, Gov. Otto Kerner said he will make a decision during December on the clemency petition for former state auditor Orville Hodge of Granite City, now serving a 12-15-year sentence at Menard state prison in connection with the theft of \$1.5 million state funds.
Queried further, the governor said he will decide "before Christmas" whether or not he will approve a reported recommendation by the state Pardon and Parole Board that Hodge's sentence be shortened, making the former Granite City man eligible for immediate parole.
Kerner said he had read the parole board's 40-page recommendation once, and would read it again. He would not divulge the contents of the report.
The governor also said he plans to sign the new congress-

Granite City PRESS-RECORD
Page 20 Thurs., Nov. 30, 1961

Assault Charge

Eugene Lovelace, 27, of 310 Selt street was arrested by Venice police at his home at 2:40 a.m. yesterday on an assault and battery charge by his wife. He was released on a property bond pending a hearing.

Miss Mary Alice Christian, honored queen, presided, and Mrs. Edith Champion, past queen and Bethel treasurer, Miss Margaret Champion, grand representative to Maryland of Illinois, Mrs. Nell Baskette, guardian, and Dr. E. H. Theis, were escorted to the East and introduced.

Reports of the recorder, the treasurer and the auditor were submitted, together with the queen's report in which she listed the highlights and events during her tenure of office.

New officers to be installed in an open installation ceremony Dec. 12 are Lana Rider, honored

SOCIETY

Job's Daughters Hold Final Meeting of Year

Job's Daughters, Bethel 43, held the final meeting of the term Tuesday evening at the Masonic Temple.

Miss Mary Alice Christian, honored queen, presided, and Mrs. Edith Champion, past queen and Bethel treasurer, Miss Margaret Champion, grand representative to Maryland of Illinois, Mrs. Nell Baskette, guardian, and Dr. E. H. Theis, were escorted to the East and introduced.

Reports of the recorder, the treasurer and the auditor were submitted, together with the queen's report in which she listed the highlights and events during her tenure of office.

queen; Sandra Johnson, senior princess; Margaret Champion, junior princess; Linda Teller, guide; Connie Matthews, marshal; Linda Jungels, treasurer; Mary Lee Lewis, chaplain; Nadine Field, recorder; Mary Francis Mobley, musician; Barbara Louis, librarian; Judy Smith, Claudine Hancock, Carole Cash, Chy Markarian, Barbara Martin, first, second, third, fourth and fifth messengers; Lynn Shepherd, senior custodian; Pat Hodshire, junior custodian; Tommye Ann Green, inner guard; Christina Louis, outer guard.

Refreshments were served by the Mothers Club after the meeting.

Church Group Plans Project
The Navigators of the Dewey Avenue Methodist Church held a business and social meeting last night at the church.

ing the Protestant Welfare Association in a Christmas project and Miss Virginia Kessler will be in charge of the sale of salt and pepper shakers, the proceeds to go toward the church building fund.

A discussion on "What Is Sin" was led by Dr. Hugh Brooks, and announcement was made of a Christmas party to be held Saturday evening at the home of Mr. and Mrs. Jerry Kent, 13 Frontenac lane.

Present at last night's meeting were Miss Gladys Moore, Dr. and Mrs. Brooks, Mr. and Mrs. Doyle Topley, Mr. and Mrs. James Reynolds, Mr. and Mrs. Marshall Testerman and son, Mr. and Mrs. Kent and sons, Mr. and Mrs. Jake Hinterer and Mr. and Mrs. James Bernaux and sons.

tained last night in the home of Miss Ruth Stover, 2137a State street.

The meeting was called to order by the president, Miss Diane Nemeth, and plans were formulated for an installation ceremony in January at the Rose Bowl.

The program was given by Mrs. Sue Cook, and after adjournment refreshments were served to Mesdames Janet Bogosian, Mary Robinson, Maryann Harris, Cook, Barbara Frons, Shirley Barley, Judy Muhlenbeck, Miss Memeth, two

ATTEND CELEBRATION
Mr. and Mrs. E. E. Smithson, 2532 East 27th street, attended the fifteenth wedding anniversary of Mr. Smithson's brother and sister-in-law, Mr. and Mrs. James Smithson of Shelbyville, Ill., this week.

School Custodian, Cook Seniority Established

Seniority lists covering Granite City school custodians and cafeteria workers have been prepared, posted and approved by all employees after adjustments were made, Supt. Harold M. Kaler reported to the school board Tuesday night. Establishment of such lists had been requested by Building Service Employees' Local 98, which represents the workers.

The lists show comparative seniority of 83 male custodians dating from 1929; five matrons from 1927; and 88 cafeteria employees from 1943. They are to be kept up-to-date by the district as new employees are hired.

The board discussed custodial hiring policies after Member Homer Huber said one newly-employed custodian had been on the substitute custodian list since 1937. President Robert Spengler urged that substitutes

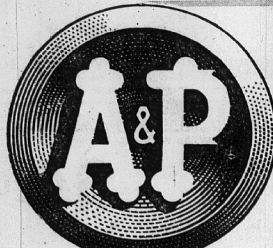

Preston "Pete" Adams At Barnes Hospital

Preston "Pete" Adams, proprietor of Pete's Market at 201 Madison avenue, Madison, is in Barnes Hospital, St. Louis, where he is expected to undergo surgery for severe back injuries received in an auto accident Thanksgiving Day near Metropolis.

Adams, who was alone in his car at the time of the accident was transferred to the St. Louis hospital Monday from a Metropolis hospital, where he had been a patient since the one-car mishap in which his auto overturned.

not considered for immediate hiring be utilized only part-time. When they are given substitute work five days a week for several weeks but still are not to be hired, it might jeopardize their other jobs, Spengler said.

Marine Training

Thomas Tempel, son of Mr. and Mrs. C. Herbert Tempel of 2625 Benton street, is in basic training with the U. S. Marine Corps at San Diego, Calif. He entered the Marines Nov. 15. His address is Thomas Tempel, 1981755, P.O. 350, "I" Co. 3rd Bn., MCRD, San Diego, California.

Better Public Image Needed, Attorney Says

While individual attorneys usually are known as "nice guys," lawyers as a group seem to have a poor reputation, attorney Merlin G. Hiscott said Monday night.

Speaking at the Kiwanis' regular weekly dinner meeting at the Elks Club, the Granite City attorney said this image of the legal profession can be improved by better public relations.

Hiscott said a program new to this state will be pushed next year by attorneys. Called the "Annual Legal Checkup," the idea is to present a service similar to that offered by the medical profession.

Individuals, and particularly small businessmen, should keep up on their legal situation the same as their physical condition, he said. The large business firm executive is kept up to the minute on legal developments, he noted.

The cost of such a program in Michigan, Pennsylvania and other states where it has been tried has been nominal, Hiscott said. "Part of the fee is charged up to better public relations," he added.

Hiscott commended the Press-Record for running, without charge, the Illinois State Bar Association's weekly column, "That's the Law," and urged the club members to read it regularly.

He also touched on such items as the rights of the individual when arrested, what one should do after an auto accident, the importance of wills, and state inheritance and federal estate taxes.

Hiscott's talk was followed by a question and answer session, after which Marvin Barnes explained his duties in hearing and deciding workers' compensation claims.

Twenty members attended the meeting.

REPLANTING OF TREES along 27th street at Wilson Park where 17 sycamores were removed over the weekend and early this week. The above tree, a ginkgo, is a variety found in temple gardens of Japan and China, it was explained by Park Supt. O. H. Williams. The tree was relocated to complete the symmetry of the second row of trees along the parkway.

Accident Charge

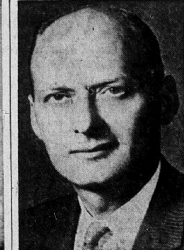

Charged with failing to yield right-of-way at Hodges avenue and Henry street Monday at 2 p.m. was Brookline Love, 26, of 201 McCambridge, Madison, who posted her driver's license as

bond. Police said that her east-bound auto on Hodges collided with a southbound car on Henry driven by David W. Shepard, 17, of 2606 East 25th street. No injuries were reported.

Sidewalk Parking Ticket

John R. Boneau, 20, of Collinsville, posted \$7 cash bail Tuesday evening after being issued an arrest ticket for parking on a sidewalk at 20th street and Lee avenue.

GUEST SPEAKER, Rev. James A. Moak, of Kentucky, who will fill the pulpit Sunday at 10:40 a.m. at Central Christian Church, 2020 Johnson road. Rev. Moak is general secretary of the Kentucky Association of Christian churches (Disciples of Christ).

Man Hurt In Fall

At Police Station

Arthur R. Lassen, 54, of 2155a Benton street, was listed in good condition yesterday at St. Elizabeth Hospital after being treated Tuesday for lacerations to the head and scalp which he received in a fall at the Granite City police station.

He was arrested Monday at 7 p.m. and charged with reckless driving and illegal possession of liquor after his northbound auto on Benton collided with a car driven by Kurt Link, 30, of 2100a Benton, who was pulling away from the curb. Lassen was taken into custody and fell several hours later while being released.

Granite City PRESS-RECORD
Thurs., Nov. 30, 1961 Page 23

Seven Radar Arrests

Seven motorists were arrested Monday by Granite City police using radar. Charged with speeding were: Lester G. Rhine, 44, of 2938 Fortune drive; John H. Reed, 1937 Grand avenue; Fannie E. Schwader, 40, of 2110 Missouri avenue; Paul S. Pace, 32, of 2224 Alexander street; Clyde M. Curtman, 48, Collinsville; Donald P. Jackson, 36, of 2437 Cleveland blvd.; and Emil S. Strothel, 44, of 3244 Wayne avenue. Reed posted \$11 cash bond and all others posted their driver's licenses.

Character is determined by the things a man can say no to.

CANASTA CLUB MEETS AT CAVNER HOME

Mrs. Elsie Canner entertained members of the Canasta club Monday evening in her home on Lincoln avenue. Prize winners for the evening were Mrs. Rose Rita, Mrs. Elsie Canner and a guest, Mrs. Marge Seibert. The hostess served a two-course luncheon to the above and Mrs. Ruth Canner, Mrs. Lorene Morris, Mrs. Dorothy Copeland, Mrs. Mabel McGee and Mrs. Bee Schaffner. The next meeting of the club will be a Christmas party at the home of Mrs. Morris.

PLAN CHRISTMAS PARTY

Mrs. Delores Bosworth entertained members of the Stay Late club Tuesday in her home. The evening was spent at games, and prizes were awarded to all. The members drew names for a gift exchange, and the next meeting will be a Christmas party at a local restaurant.

DELEGATES VISIT HERE

Guests at the home of Mr. and Mrs. Ralph Painter, 422 Lincoln avenue, on Sunday were students returning to college after attending the national convention of Gamma Delta, held at Mission, Kan. They were Miss Pat McCormick of Ann Arbor, Mich., a student at Michigan State University, and John Mulhraph of Milwaukee, Wis., a student at Milwaukee Medical University.

Intermediate Girl Scout Troop 61 met Monday evening at St. Mark's school with the leaders, Mrs. Margaret Lee and Mrs. Margaret Reidelberger. The troop worked on a Christmas project.

Girls present were Bernice Koelker, Mary Frances Lee, Linda Levy, Diane Mangi, Julie Meehan, Barbara and Mary Alice Mulnik, Kathy Pace, Sharon Parker, Judy Reidelberger, Jean Svezia, Kay Willis, Margie Scaturro, Mary Catherine Miller, Donna Kalergeru, Mary Ann Fields, Sheila Simmons, Sharon Maurer, Jean Daniels, Marilyn Caruso, Theresa Burgener and Ruth Welch. The meeting was closed with "Taps."

Den One of Cub Pack One met Tuesday evening with the leaders, Mrs. Margaret Lee and Mrs. Margaret Reidelberger. A discussion was held on a Christmas project, and the boys practiced magic tricks for the club meeting.

Boys present were Philip Daniels, David Scaturro, Timmy Toller, Boyce Dillman, Ricky Reidelberger and Jack Lee. The meeting was closed with the law of the pack.

Den Two of Cub Pack One met Tuesday evening with the leader, Mrs. Alice Rumpf. The boys worked on a play for the pack meeting and made headbands. Boys present were Terry Rumpf, Jimmy Hayden, Steven Davis, Harold Gertman, and Albert Turner. The meeting was closed with the law of the pack.

Mr. and Mrs. Carl Kuhlrik of Metropolis, Ill., are visiting his parents, Mr. and Mrs. John Kuhlrik, 4203 Lake drive, Mrs. Kuhlrik is the former Mary Lou Barr of Venice. Mr. and Mrs. Kuhlrik spent the weekend in Cherryville, Mo., on a hunting trip. They were accompanied by Doris June Barr and Gene Marcum of Madison.

Miss Becky Schaffner returned to the Jewish Hospital of Nursing on Monday following a five-day visit with her parents, and Albert Mrs. George Schaffner, 809 Washington avenue.

A meeting of the Venice Crippled Children's Organization will be held at the city hall this evening at 7:30. All members are being urged to attend.

Club Notified Of Rail Merger Hearing Dec. 11

An Interstate Commerce Commission hearing will be held Dec. 11 in Washington on a proposed railroad merger affecting the Quad-City area, Madison Rotarians were advised yesterday in a letter from the ICC. The club had taken a stand opposing the merger due to possible loss of local employment. Only the evidence given in person at the hearing will be considered, but a cross-section of views is expected, the ICC said.

Secretary Alex Schenohoff reported on replies to the club's merger letters, and Vice-President Larry Palks listed December programs and reported 56 Madison avenue flagpole sales. A shortage of poles has delayed display of flags along the entire length of the street in Madison, he said.

President Fred Schmidt presided and Frank Fljan gave his impressions based on a vacation trip to Texas and Mexico. With Madison Lions honoring the Madison high school football team at the close of that season, the Rotarians previously feted the football players at a luncheon.

 CUB PACK 19 MEETS
 AT WASHINGTON SCHOOL
 Cub Pack 19 sponsored by the Washington school PTA, held a rocket race and hat show Monday evening in the school gym, in conjunction with a regular pack meeting.
 The cubs paraded, and prizes for colorful hats were awarded by Tony Petrillo to Ronald Peterson, Danny Ebling and Pamela Blason.
 Joe Blason's Webelos den presented the colors and led the audience in a pledge to the flag. Chairman Blason welcomed parents and new cubs to the pack.
 In a Bobcat induction ceremony, Cubmaster George Birdson presented Bobcat pins to John Rodi, Stephen Doroughard, Tony Everett, Gregory Christakos, John Essington, John Krug, Dennis Meyers, Terry Mayes, Gary Starnes, Allen Schramm and Michael Vorce.
 Other awards went to Lynn Lawwell, Teddy Lewis, Tony Petrillo and Hughie Weaver. Mrs. Betty Krug's Den Five won the attendance cup.
 Mrs. Betty Hoots' den, Den Two, presided at the refreshment table. Refreshments were served to about 100 cubs and parents.
 MRS. LINDNER IS HONORED ON BIRTHDAY
 The Birthday club met at the home of Mrs. Geneva Lindner, 2828 Cayuga street, Monday to celebrate her birthday. A covered dish dinner was served. Games were played, with prizes awarded, and the honoree received cards and gifts.
 Attending were Mesdames Viola Harrison, Virginia Koenehan, Frances Black, Betty Urs, Sharon Copeland, Dorothy Partney, Mae Ebling and son, Danny, Nelda Willis, Dollie Roth, Laura Lambeth, Clara Forrester, Mabel Mercer, Lola Tucker, Irene Patton and daughter, Paula, Alberta Raab and daughter, Kathy, Mae Petras, Wilma Manogian, Ginger Bamper and Iona Mercer.

MRS. NEWLAND TEACHES MISSION STUDY BOOK
 Mrs. Vera Newland led in a study of a foreign mission book, "Your Guide to Europe," Tuesday evening, with members of the Young Woman's Auxiliary of Grace Baptist Church, being guests of the YWA of Second Baptist Church.
 Articles from European countries were displayed, and the study was supplemented with maps and charts.
 Refreshments were served to four guests, Miss Linda Williams, Mrs. Boyd, Miss Karen McKinney and Miss Ruth Wiser, and to Miss Janet Warnhoff, Miss Betty Hoffman, Miss Betty Rains, Miss Jo Marie Cook, Miss Wilma Cherry, Miss Mildred Dacus, Miss Ruth Ann Showers, Miss Barbara Grotz, Miss Sandra Brown, Mrs. Alice Hoffman, Mrs. Myra Grote and Mrs. Maxine Dacus.

GIRL SCOUT PROJECT
 Senior Girl Scout Troop 169 met last Sunday at Prairie Junior high school. The meeting was called to order, and the girls heard a discussion on stuffed animals which they are making for the children's ward at St. Elizabeth Hospital.
 Another discussion was held on the sale of Girl Scout cookies. Those who attended were Karen Farley, Betty Black, Bonnie Black, Carolyn Harmon, Phyllis Hagauer, Linda Taylor, Kathy Cox and the leader, Mrs. Minerva Coffman.

RETURN TO OHIO
 Mr. and Mrs. Gale Shackelford and children, Brent, Karen and Cheryl, left Sunday for their home in Canton, O., after visiting relatives and friends here. They made the trip by plane.
 Those who visited Rev. and Mrs. Commodore Grove over the weekend were Mr. and Mrs. Vester Bowen and family of Leavenworth, Kan.; Mr. and Mrs. Gerald Galloway, Mrs. Bernard Bateman and Mrs. Anna Slack of Bible Grove, Ill.; Mr. and Mrs. John Cockrum of Benton, Ill.; Staff Sgt. Harold L. Cockrum of Mather Air Force Base, Calif.; Mr. and Mrs. Commodore L. Grove of Caseyville, Ill.; and Mr. and Mrs. Kenneth Farnear and family of Carmi, Ill.

MORE ABOUT Drainage, Pollution

(Continued from Page 1)
 plants at less cost than under the present district system. The state Sanitary Water Board is pressing for compliance with federal demands to abate pollution of the Mississippi River.
 In other business Monday night, the city council heard a complaint by Alderwoman Mrs. Gabrielle Helene of a nuisance in a 2000 block of Madison avenue where there is a chicken yard at the rear of a home on the west side of the street.
 Council members instructed City Inspector Jack Fricker to issue a warrant against the owner provided the chicken yard was unsanitary. Fricker said Wednesday he inspected the premises and found the chicken yard in proper order. No warrant was issued.

Street Priority List
 Members of the Plan committee, headed by Alderman Paul Rutledge, held an initial discussion for a proposed priority program for street improvement with motor fuel tax and city funds.
 Rutledge said the discussion was preliminary and was based on a request made at the last council meeting when a suggestion was made for paving and track removal on State street from 18th to 23rd street.
 In the past few years, the only priority rating has been the timing of improvement requests made by the aldermen.
 The Finance committee, headed by Alderman Paul Rutledge, met with Melvin Pashen, who maintains the city dump at a cost of \$733 a month to the city. Pashen had submitted a bill to the city in the amount of \$1400 for repairs to a bulldozer which he said was damaged last spring when the sanitation department trucks from the mud and also removing mud from the dump roadway.
 The bill was approved by the council, but payment was withheld by the committee for further study. Pashen told committee members the \$1400 sought from the city was only a third of the total repair bill which also included three slashes burned out in the mud operation. "What I'm asking for just covers the cost of the truck."

Rutledge said he would confer with the mayor and employees of the sanitation department to determine the aid given the drivers by Pashen's employees.
 The layout of the dump was under severe change last spring due to state road construction and the state, Pashen said, rebuilt the road through the dump but gumbo posed problems in the swampy area.

Granite Chapter 650, OES, Conducts 52nd Installation

More than 350 persons attended the 52nd annual installation of officers of Granite Chapter 650, Order of Eastern Star, Monday evening at the Masonic Temple when Mrs. Karmyn Edmonds and Thomas Blythly assumed the offices of worthy matron and worthy patron.

The chapter room was resplendent with a red, pink and white color scheme and poinsettias and red ribbon formed an arch for the officers.

Mrs. Florence Spohr, outgoing worthy matron, and Lloyd Lewis, a past patron, presided during the opening ceremony. A short history of the chapter was given and the past officers were introduced.

The impressive ceremony got under way as the installing officers and their escorts entered. They were Mary Ellen Lewis, a member of the Chapter courtesy committee of Illinois; installing officer; Nannie Meadows, a past matron, chaplain; Blanche Leuchter, a member of the scholarship committee of Illinois; marshal; Ida Carls, a past matron, chaplain; and a past officer, organist, escorted by Julian Smith, Clarence Hoffman and Roy Williams, a past patron of the chapter.

The color bearer, Joseph Wisnick, presented the flag, and the ode was given by Beverly Blythe, past worthy adviser. Order of Rainbow, W. Mark Seaton, Assembly 48, Hobbs, New Mexico.

The officers installed with the worthy matron and patron were: Hilda Griffiths, associate matron; Preston Ridings, associate patron; Clara Smith, secretary; Blanche Leuchter, treasurer; Dorothy Fitzgerald, conductress; Ida Carls, associate conductress; Clotilde Corbin, chaplain; Mary Peters, marshal; Marguerite Halyman, organist; Hazel Wood, Adah; Marjorie Brannan, Ruth; Cora Heltich, Esther; Vivian Blankenship, Martha; Ethel Cox, Etta; Villa Ridings, warden; Grover Brannan, sentinel.

Mrs. Anita Hagan, soloist, sang the Lord's Prayer as Mrs. Edmonds was installed, and she was presented with flowers from the chapter by her mother, Mrs. Clara Heltich, of the religious observance committee of Illinois.

Ushers at Monday's meeting were Avis Joiner, Joanne Smith, Ruth Moore and Mary Bilyrey.

John Jenkins, Stanley Laughlin, Larry Martin, Thomas Modglin, Paul Kackett, Richard Smith and Danny Stuart.

Cubmaster John Doroghazi announced plans for a Christmas meeting Dec. 18, when each scout is to bring a 50-cent pack age.

After the business meeting, refreshments were served to the Scouts and their parents by Den Six under the direction of Mrs. Dorothy Peterson.

OFFICERS INSTALLED by Granite Chapter 650, Order of Eastern Star, Monday evening. Front row, Blanche Leuchter, treasurer; Ida Carls, associate conductress; Hilda Griffiths, associate matron; Preston Ridings, associate patron; Karmyn Edmonds, worthy matron; Thomas Blythly, worthy patron; Dorothy Fitzgerald, conductress; Clara Smith, secretary; Clotilde Corbin, chaplain. Second row, Joseph Wisnick, color bearer; Ethel Cox, Etta; Vivian Blankenship, Martha; Marjorie Brannan, Ruth; Mary Peters, marshal; Cora Heltich, Esther; Hazel Wood, Adah; Villa Ridings, warden; Arlene Fox, instructor; and Grover Brannan, sentinel. Not present when the photo was made was Laverne Larsen, color bearer.

Investiture For Brownie Troop 81

Brownie Troop 81 held an investiture ceremony Tuesday afternoon at the school.

Mrs. Betty Caschetta, leader, was in charge, assisted by Mrs. Leslie Swindle. The girls invested were Colleen Arbogast, Caschetta, Debora Clubb, Judith DeWinters, Gale Felt, Sandra Hans, Patricia Harris, Kathy Lancaster, Rose Ann Lynch, Debra Mathenia, Debra McCallister, Brenda Morris, Darla Parks, Kathy Powell, Gail Purkey, Paula Squires and Patricia Swindle.

Thirty-five were present, including the parents, Brownies, and a guest, Mrs. Hobson Swindle. Refreshments were served after the meeting.

After the ceremony in the chapter room, a reception was held in the banquet hall, which was especially attractive with its red and white draped, candlelight table and silver Christmas trees spotted with pink, red and white. Mrs. Bess Henley and Mrs. Hannah Kleeschmidt poured.

Mrs. Frances Williams was in charge of the dining room, and reading the decorating and program committees were Mrs. Rosalia Jenkins, Mrs. Nina Bagley and Mrs. Georgina Waggoner.

Due to the illness of the junior past worthy patron, John L. Wood, who was unable to attend, the presentation of jewels will take place at the first state meeting in December.

The benediction was given by Mrs. Tena Neureiter, member of the registration committee in Illinois.

Ushers at Monday's meeting were Avis Joiner, Joanne Smith, Ruth Moore and Mary Bilyrey.

John Jenkins, Stanley Laughlin, Larry Martin, Thomas Modglin, Paul Kackett, Richard Smith and Danny Stuart.

Cubmaster John Doroghazi announced plans for a Christmas meeting Dec. 18, when each scout is to bring a 50-cent pack age.

After the business meeting, refreshments were served to the Scouts and their parents by Den Six under the direction of Mrs. Dorothy Peterson.

School Testing For Coolidge PTA Members

Guidance and counseling were the topics of the November meeting of the Coolidge junior high school PTA Monday evening in the all-purpose room of the school.

Testing program, given by Mrs. Helen Pettigrew, dean of girls, and Joseph Wisnick, color bearer, president, conducted the meeting.

After a film on "Your Child's Intelligence," the audience participated in a test that is given in all eighth grade students. Testing program, given by Mrs. Helen Pettigrew, dean of girls, and Joseph Wisnick, color bearer, president, conducted the meeting.

To present the audience with a visual demonstration of the testing program, Mrs. Helen Pettigrew, dean of girls, conducted an interview with Mrs. Evelyn Peterson, a student. Purpose of the interview was to draw up a profile sheet which showed the counseling techniques and how the school helps each student build a four-year program for high school by combining interests, talents and capabilities.

"Career kits" also are used in such sessions to show for a particular career and other subjects helpful in attaining a chosen goal.

Keith Parker, boys' counselor, explained that the program is just to test the child, but to help the child and parent handle any social problem that may occur. He said both must learn to face realities, and urged parents to help the child plan on a vacation that can be obtained by using his abilities. Parker said that his office is open to both parents and pupils for questions of any counseling question or problem.

During a brief business meeting, Mrs. Evelyn Peterson announced that there will be no December meeting and that the next regular meeting will be an "open house" in January for the home economics, art and industrial arts departments. She also requested help for a style show to be held in March.

A letter was read by Mrs. Elva Mae Spiceland requesting nominations for the 1961 Civic Achievement Award.

Harry Wood, institutional representative for the PTA's explorer post, spoke on the Boy Scout program and cited a need for adult help in the program.

He also suggested that a savings stamp program be started in the school.

Mrs. Evelyn Peterson reported that the January meeting will have Dr. Abraham Levitsky, psychologist of the St. Louis state mental hospital, as guest speaker. Dr. Levitsky will give a lecture on the importance of the child in this country attending school and entertained the group with an interesting account of the life and hardships of the people of her country during the war.

Devotions were led by Mrs. Nyberg and plans were furthered for a rummage sale at the 100th hall Friday.

Refreshments were served by the hostesses, Mrs. Mitchell and Mrs. Given Mayford.

Fourteen members were present and a guest, Miss Yu Li Chang, a native Korean, who is in this country attending school and entertained the group with an interesting account of the life and hardships of the people of her country during the war.

Executive Board Of UPW Meets

An executive board meeting of the United Presbyterian Women of First United Presbyterian Church was held Tuesday in the church parlors, 22nd street and Delmar avenues.

Devotions and the opening prayer were by Mrs. J. W. Senoff, and Mrs. George Holtzger, president, conducted the business discussion. Reports of Mrs. Walter Coolidge and Mrs. R. N. Johnson, secretary and treasurer, were given, as well as those of the executive department chairmen.

A mother-daughter dinner to be held in February was planned, and arrangements were completed for a Christmas party and pot luck supper at 6 p.m. this evening of Dec. 5 in the church.

Quality Goal of Numerous GC School Manuals, Outlines

Though the printing is by typewriter and the pages are mimeograph paper, Granite City schools are involved in large-scale book writing and publishing activity.

New volumes were distributed to school board members Tuesday night as Supt. Harold M. Kaiser reviewed the purpose. Examples cited were detailed curriculum guides and guidance manuals which are credited with fostering uniformity of instruction and a clear understanding by parents and students of alternate educational offerings.

List Of Manuals

The list of texts produced by the school district now includes a high school curriculum guide, art guide for kindergarten through the sixth grade, a guide for the seventh through twelfth grades, elementary school guidance manual, second-year school guidance manual, remedial reading program, special

education manual, various course outlines, progress reports, detailed yearly budgets, school employee directories, information manual for teachers and a book listing the district's administrative organization and major functions.

Not included in this listing are board meeting agendas, some of which also reach mammoth proportions. Also not mentioned are monthly and yearly audits which are prepared by an accounting firm rather than the school office.

Counseling Expanded

Stressing importance of the guidance program for both social adjustment and proper course selections, the superintendent said counseling sessions have been expanded.

One innovation is an individual conference with every graduating senior to aid him in advancing to college, trade schools or jobs. Parents now have the opportunity to approve seventh-to-ninth grade subjects while their youngsters are in the sixth grade, and ninth-to-twelfth grade courses during the eighth grade year, he pointed out.

aptitudes, Dr. Kaiser told the board.

More course outlines and manuals are planned, and all are to be reviewed and revised regularly, he added.

"We have many duties in the school system, but the guidance program is one of the most important for maintaining high quality of education," he concluded.

Retail Clerks, Drug Stores Sign Contract

A new two-year contract, retroactive to Oct. 1, has been approved by local drug stores and the Retail Store Employees Union Local 435, granting a pay increase of five cents the first year and six cents the second to drug store clerks.

Miss Hetty Sheppard, business agent for the union, said 28 drug store workers are affected by the new agreement, which boosts the base hourly wage to \$1.25 for women and \$1.39 for male employees.

Quad-Cityans Call For Completion Of Highway

Quad-City area union members and businessmen are among the signers of petitions calling for early completion of the McAdams highway from Alton to Grafton. It was announced today by Everett Smith of the Grafton-McAdams Highway Association.

The petitions have been presented to Gov. Kerner to advise him of areawide interest in completion of the roadway along the Mississippi River.

American Steel To Work Four Days Next Week

American Steel Foundries will be in production four days next week—Tuesday through Friday—it was learned today from the office of Works Manager A. P. Steinhilber.

The plant also worked four days this week—Monday through today—and the 600 employees are being advised of next week's schedule.

Wrong Address

Waldo C. Dalton, 46, who was arrested last weekend by Granite City police, does not reside at 2812 Palmer avenue, the Press-Record was informed by the family living there. Dalton resides in the 2800 block, it was learned.

Lettermen-Laden Lincoln Hosts St. Paul of Highland In Cage Opener Tomorrow

Lincoln high school of Venice will open its 1961-62 basketball season Friday night by playing host to St. Paul of Highland. Game time is 8:15.

Three-time district champions, Coach Stan Lynch's Lincoln Rams appear — on paper — to have one of the finest potentials in the area with eight lettermen returning from last year's squad that compiled an 18-5 record. Lynch lost only two men from that team, and neither was a starter.

Led by All-East Side Center Tom Hall, who averaged over 25 points a game a year ago, Lincoln possesses one of the most explosive offenses in the area.

Backing up Hall's scoring ability are Bob Chavis and Charles Hatter, who sported 21 and 19-point game averages, respectively, last year.

That totals up to a 65-plus game average. Then add another year's experience, and you have a good idea how tough the Rams could be this season.

And do not forget that there are two more starters who will chip in their share of points. Lynch, in naming a starting lineup to oppose St. Paul, has Hall at center, and Charles Hatter and Chavis at forward and guard positions, respectively. Rounding out the first five will be Billy Hatter, Charles' brother, at the other forward slot, and Edgar Buckles at the remaining guard spot.

Lettermen Johnny Marchbanks, Isaac Brown and Henry Wooten provide the Rams with more than adequate bench strength.

All good jumpers. "All eight boys are good jumpers," declared Lynch. "They have to be, because we are small in size." Hall and Billy Hatter are the tallest boys on the squad at 6-2. Chavis is an inch shorter and Charles Hatter's 5-11 frame is an inch taller than St. Paul's.

"I don't know too much about St. Paul this year," said Lynch, "but past performances indicate they'll be strong and scrappy." He pointed out that St. Paul will be under a new coach this year, as Rich Mason has moved

SET FOR CAGE OPENER Friday against visiting St. Paul of Highland are an even dozen players who are members of Coach Stan Lynch's Lincoln of Venice varsity squad. From left to right are Tommy Turner, Charles Crawford, Edgar Buckles, Lawrence Isaac, Robert Chavis, Billy Hatter, Tom Hall, Charles Hatter, Henry Wooten, Isaac Brown, Herman Smith and Calvin Dixon. Game time is 8 p.m. of the Lincoln gym.

Heart Fund Kegling Tourney Dec. 4-15

The annual Madison County Heart Fund Bowling tournament will begin at 13 bowling establishments across the county on Monday, and continue through Friday, Dec. 15, tourney Chairman Dave Woods said today.

Establishments participating include Bowland and Big Top Bowl in Granite City, Madison Bowl in Collinsville, Grant Bowl and Bowl Haven in Alton, Bethalto Bowl, 66 and Rainbow Lanes in Edwardsville, Fairmont Bowl in Collinsville, Grant Bowl, Hilltop and VFW Lanes in Highland and Wood River Bowl.

High scorers, at the rate of one for each 500 entrants at each bowling establishment, will participate in final rollovers, Woods said. Thirty percent of all entry fees will go to the six top scorers in both men's and women's divisions at each house.

Final rollovers will be held Feb. 11 at the establishment having the greatest number of registered bowlers per alley.

Remaining funds raised through the tourney will be credited to the heart fund drive for use in research, education and community service programs, Woods added.

Last year's winners were Dave Stiles of Wood River and Mrs. Justine Landert of Highland. Approximately 2400 keglers competed, and a greater number is expected this year, since more bowling establishments are participating.

INDEPENDENT HANDICAP BOWLING, TUESDAY
Air-Wood 3, Triangle Bowling 0; Eagles 3, Bowland 0; Schlitz 3, Bellemore Barbers 0; Zimmerman & Son 2, Fryntzko's 1.

Sam Fazio, who finished at 24-3-1 and was another district and sectional champion, is back to compete at 138 pounds.

Rounding out the top five will be Roger Bloodworth, who won 25 bouts, lost five and tied one. He was sectional and University high tourney champion, and probably will move up to 127 pounds this season.

Out With Injuries
Two lettermen will be lost for perhaps the entire mat season due to injuries sustained in non-wrestling incidents. Quentin Hoover has a knee injury which will keep him sidelined, and Larry Reynolds, who was 14-6 last season, is out on doctor's orders with a hand injury.

Four other seniors who lettered in past seasons could help out this season, Schmidt feels. They are Charles Haug (16-8), Tom Tindall (12-11), Bob Kary (10-3-1) and Larry Brisky, who lettered as a sophomore but was not on the squad last year.

Other varsity prospects include Sid McMullan, Gary Reis and Denny Petroff, although Petroff is another of the "wringing wounded." Up from the junior varsity squad this year will come Tom Vassilef, Bob Trona, Paul Lapinski and Mike Fry.

Following Tuesday's initiation at Ferguson, at 4 p.m. meet, the Warriors will host Roxana Friday evening at 7:30. Their first conference meeting will be with the Tigers in Edwardsville on Thursday, Dec. 14.

Warrior Matmen Need Help At Both Ends of Weight Scale, Schmitt Says

Although the school has lost just two lettermen from a squad which rolled to a 16-1 record in dual meets last season and picked up conference, district, sectional and University high school tournament championships along the way, Granite City high school wrestling Coach Bill "Red" Schmitt said today that the Warriors will be weak in the light and heavyweight divisions.

Just how weak is something which will be quickly determined, Schmitt said, since GCHS opens its varsity season Tuesday night against a tough opponent across the river, Ferguson high school.

"They appear strongest where we look weakest," said Schmitt, who added that in an earlier meet last year the two squads divided 12 individual bouts equally. That meeting involved a GCHS squad which went on to finish in a fourth-place tie at the Illinois high school state meet.

Last through graduation are Bill Ridings and Gerald Taylor, who had the best individual records of any members of the 1960-61 squad. Both are top freshmen candidates for Illinois college wrestling teams this fall.

Five Undeclared Seniors Return
But all is not gloom at GCHS. Five seniors, each undefeated in conference competition last season, are back.

Eldon Pope finished with a 27-2 record last year and was district and sectional champion. He will wrestle at 145 pounds.

Fourth in the state meet and the district, sectional and University high tourney champion was Buddy Felechin, who compiled a 25-3 mark and probably will compete at 133 pounds.

Bob Cruse, whose mark was 27-5 last year, also won district

Trojan Lineup Not Set As Team Opens Season Saturday At Sparta

Lack of height seems to be Madison's dilemma this year as the Trojans open their cage campaign on the road Saturday night at Sparta.

Coach Earl McClanahan's charges posted a 19-4 mark a year ago before bowing to Collinsville's state champion Kahoks in the regional tournament. This year, McClanahan has five returning lettermen and an 11-man varsity roster that sports a six-foot two-and-a-half-inch "giant".

Madison's letterman returnees are footballers — Don Freeman, Ken Griggs, Mick Graville and Charlie Venarsky. Bob Haynes rounds out the experienced quintet.

Other members of the squad are Cecil Bell, Charles Kook, Ed Petty, Calvin Jackson, Farris Smith and Terry Andrews.

McClanahan declined to name any players to a probable starting lineup to oppose Sparta. "We don't have any boys hungry enough as yet," he explained. "Starting positions are wide open. I haven't been satisfied with any five I've put together."

When asked if Freeman, his "giant," would probably start, the Madison mentor replied, "It is not clear-cut."

Cites Cahokia Power
"There are several strong teams in the conference this year," said McClanahan, "but we look for Cahokia to give us most of the trouble."

As for Saturday night's opponent, he pointed out that he has never seen Sparta play. The Trojans will return home to host East St. Louis Tuesday.

Madison has an 18-game schedule plus three tournaments — the O'Fallon tourney, Dec. 13-16; the East St. Louis holiday tournament, Dec. 26-29; and at least the regional tournament in early March.

Besides two games with each of the other five Midwestern Conference schools, the Trojans have contests scheduled with Sparta, East St. Louis, Tri-L, Edwardsville, Jerseyville, Col-

**Fredman Bros.
Thank You!**

This is the season when we all begin to count the blessings that have come our way during the past year. We, at Fredman Bros., feel that our greatest blessing, year after year, is the faith and trust our customers and friends place in us which is evidenced by their ever increasing patronage. For this and all the other nice things that have happened in our dealings during the year, with the fine people of the Quad-City area, we want to "Thank you." As our way of thanking you, we have prepared the finest and largest array of Home Furnishings we've ever had for the Holiday Season. Sensational "PLUS VALUES" from the store that values built! And, as an added "Thank You," we are giving a beautiful 6 1/2-ft. aluminum Christmas tree with every purchase of \$59.95 or more where no other gift is given.

Invitations Sent To Creighton U. Alumni

Invitations to the annual party of the St. Louis club of Creighton University alumni to be held Dec. 8 in St. Louis have been mailed to 100 persons, including several Quad-Cityans. Two administrators from the school, located in Omaha, Neb., will be special guests at the party. They are the Rev. H. W. Linn, S. J., vice president in charge of university relations, and Bernard J. Conway, director of Creighton alumni relations.

Stromlund Graduates At Navy Submarine School

Leon E. Stromlund, interior communications electrician first-class apprentice, USN, son of Mr. and Mrs. Tolof E. Stromlund of 2706 Nameoki road, was graduated from enlisted basic submarine school this month at the Naval Submarine Base, Naval Station, Groton, Conn. Graduates are trained to join America's "Silent Service" and continue with on-the-job training to earn the coveted dolphin insignia of a qualified submariner.

Private Funeral Services Nov. 21 For Allen Infant

Private funeral services were held Nov. 21 for Harold D. Allen Jr., son of Mr. and Mrs. Harold D. Allen of 2705 Denver street, who died at Christian Welfare Hospital, East St. Louis, Nov. 17, a day after his birth. Interment was in St. John's Cemetery.

City Bills And Salaries of \$49,131 Approved

Half-month salaries and bills for one week—totaling \$49,131—were approved Monday night by Granite City council members meeting in a brief session before going into committee meetings. Included in the payroll were payments of \$609 for the police department and \$611 for the fire department for two holidays, Veterans Day and Thanksgiving Day.

Half-month payroll totaled \$39,887 while the bill list amounted to \$9,244.

Major items on the bill list were \$4,427 for maintenance and fuel for equipment and vehicles, \$1,612 for purchase of a new pickup truck for the inspection department from Brewer Motor Co., \$434 for steel sheet piling used during repairs to the Alsbury avenue sewer break. A. W. Pearson of the city engineering staff told council members the piling was left in the ground after being cut off for salvage. He explained abandonment of the piling was far cheaper than the cost for removing it, which would have required two weeks.

The city also paid \$988 to Standard Oil Co. for 29,700 pounds of asphalt filler, \$452 to International Salt Co. for 50 tons of rock salt to be used on arterial streets and \$139 to the U.S. Treasurer as the city's share of cost, labor, equipment rental and electricity during October at the sewer pumping station on the Engler Depot grounds.

Allowances included on the bill list were \$30 for Alderman Steve Basarich and \$30 for Alderman Walter Nunn and \$50 for Civil Defense Director George Schumacher.

New Year's Eve Dance Set By Park District

A New Year's Eve dinner dance for teenage couples is being planned by the Granite City park district for Dec. 31 at the Lincoln Place (park district) community center.

Reservations for the dance must be made before Dec. 23, according to Pete Robinson and Miss Pat Mega of the park district staff, who may be contacted at the community center, 822 Niedringhaus avenue.

The dinner dance will be for couples only, and one member must be a ninth grade or senior high school student. Reservations, which will include dancing, turkey dinners, noisemakers, hats and refreshments, are \$6 per couple. A "rock-and-roll" band will furnish music for dancing from 9 p.m. to 1 a.m.

RENT THE SMOGASBOARD RESTAURANT FOR PRIVATE PARTIES. CALL TR. 6-9816.

Serving On USS Helena

Mason Jackson, steward second class, USN, son of Mr. and Mrs. Mason Jackson of 919 Franklin street, Madison, while serving aboard the heavy cruiser USS Helena, participated in a large-scale Navy and Marine Corps training exercise, observed by Admiral George W. Anderson, chief of naval operations recently off the coast of Southern California.

ACTION - ECONOMY THAT'S DODGE FOR '62 FARRINGTON MOTORS, Inc.

Rites Held Tuesday For James Hanson's Mother

Funeral services were conducted at 2 p.m. Tuesday at the Edwards Street Assembly of God Church in Alton for Mrs. Ida May Hanson, 81, Alton mother of James Hanson of Granite City. Interment was in Valhalla Memorial Park, Alton. Mrs. Hanson died at 6 a.m. Nov. 26 at St. Anthony's Hospital, Alton, where she had been a patient for two weeks. She was born at Brighton, and had been an Alton resident 73 years.

Survivors, in addition to her field: a sister, Mrs. Nellie De-son here, are two daughters, Rose, Alton; and 12 grandchildren. Mrs. Mary Stokes, Alton, and a brother, James Hamilton, Litch.

Changes In Detective Division Recommended By SIU

(This is the 46th in a series of articles based on a reorganization study of city government in Granite City by Southern Illinois University.)

In this concluding report based on study of Granite City police department operations, the SIU team outlines the investigations division of the department.

"It was observed that the chief of the division was doing all the administrative detail himself. In order that he may have adequate time for proper administration of the division and supervision of the case work of the men under him, he should delegate as much of the routine work as possible. He should assign duties such as the development of the media open and file to one of the men.

"His function should be to review the case load, keep records on cases, assign cases to the men for investigation, keep a constant check on their results and

coordinate different phases of investigations.

"It was not possible to secure case load records from the chief of detectives during the course of this survey. The chief had neither a record nor an estimate of the number of cases handled last year. It is recommended that the chief maintain a case load quota and also maintain adequate records of the number of investigations made throughout the year.

Increase Investigations

"It is also recommended that the chief and his detectives investigate the more serious misdemeanors. From his statement, they are only investigating felony crimes as the division has been operated. While case loads are not available, it appears that even with a reduced staff they should be able to investigate more than they now handle.

"The work of the investigation division could be handled with far greater efficiency through the adoption of these and other recommendations.

"It is felt that the detective division can accomplish its work with one less detective. Presently a great deal of detective time is lost in routine patrol of the city. Police patrol is largely a crime prevention function and should be borne by the patrol division.

"About four or more hours a day are spent by the detectives in patrol. While there is no reason that detectives should not engage in patrol occasionally, it should not be a regular procedure in their operations. They have been specially trained in solving crimes, their time is valuable and should not be spent in this manner.

More Patrols Needed

"The recommendation to transfer one detective to regular patrol duty in the patrol division is based on the need for manpower in that division in order to make possible setting up five patrol districts. It also is based upon the fact that the detectives do considerable routine patrol

work rather than detective work. This reduction in force should be made until the detective case load increases to a point where another man can be justified.

"It is recommended that the chief of detectives position be designated as the captain in charge of the investigation division upon the retirement of the present incumbent. This will place the position in better relationship to the other division heads and officers of the department.

"It is also recommended that the division consist of the captain (for the present the chief of detectives), a sergeant and two detectives.

"The captain, the sergeant and one detective should work the day shift, and the remaining detective should work the afternoon and evening shift. The hours could be the present shifts of 5 a.m. to 1 p.m. and 1 p.m. to 9 p.m., or the detectives' shifts could be set an hour or two later.

"In this way the detectives can cover all the hours when it is possible to interview people early in the morning, and in the evening before dark. The detective on the second shift should be delegated some administrative duties such as filing records, preparing modus operandi file and other activities which he could do when investigation jobs are not pressing.

Report Writing

"The report writing procedures in the detective division are totally inadequate. The follow-up reports are poorly written and do not contain enough information. The chief should instruct the men in the proper form for preparing reports. He should also see that the whole record of an investigation which has been completed or cleared or is put in inactive status be assembled in one place and filed in the record division.

"Under present procedures, records are filed in several different places resulting in a serious decentralization of records

in the Granite City police department.

"The investigating officers should immediately write their follow-up reports and not let them build up. According to the chief, there were several cases in the process of investigation for which reports had not been written. Since memory soon fails, the officer should be required to get the results of their investigations on paper as soon as possible.

"The detective division should maintain its own files, such as the excellent modus operandi file which is being developed, but they should be tied in with the central files maintained by the record division. This can be accomplished through the use of duplicate copies of certain reports."

Funeral Rites Here

Today For John Gozic

Funeral services were held at 2 p.m. today at the First Assembly of God Church, 2418 Grand and Grand avenue, for John Gozic, former 30-year Granite City resident who died Friday at a San Bernardino, Calif., hospital. Burial was in Sunset Hill Cemetery.

Mr. Gozic, 72, had been hospitalized since Oct. 31, when he was struck by a car. Before moving to Highland, Calif., five years ago, he was an employee of the Granite City Steel Co. His survivors include a daughter, Mrs. Verna (Vera) Deutschman of Granite City.

License Suspension, Revocation For 2 GC Men

A revocation and a suspension of driving privileges for two Granite Cityans were handed down this week by Secretary of State Charles F. Carpenter at Springfield.

Revoked was the license of William H. Pruitt of Park avenue for reason of driving while intoxicated; while the suspension for reason of three traffic violations was given Bobbie E. Anderson, 1959 Poplar street.

Promoted By Marines

Robert D. Butler, son of Mr. and Mrs. Robert D. Butler of

2411 Logan ave., Granite City, serving with the rifle range sec-Marine Corps in August 1959, Ill., was promoted to marine lance corporal recently while in, Calif. Before entering the high school.

DAVID PAINTER of Venice, who was named to office in the international Gamma Delta Association of Lutheran Students during a convention in Kansas.

David Painter Named To International Post

David Painter, 20, son of Mr. and Mrs. Ralph Painter, 422 Lincoln avenue, Venice, was named international Gamma Delta publicity chairman at a four-day convention held at Mission, Kans., for the association of Lutheran students, it was announced today.

Painter, a junior mathematics major at Eastern Illinois University, will handle the association news releases to national magazines and newspapers. The association is made up of 144 chapters on campuses of colleges and universities in the United States and Canada with a membership of over 3,000 students.

Its program, Painter explained, is to develop and strengthen faith and encourage Christian actions on campuses through knowledge and service. Chapter activities are spiritual, cultural, social and athletic.

Painter has been president of the EIU chapter and is publicity chairman for the Triota region at the university; he is chaplain of Chi Nu Fraternity and a member of the Math Club, as well as being publicity chairman for the Student Religious Council and social chairman for Lincoln Hall.

County SIU Alumni Dinner Meeting Saturday

Alumni of Southern Illinois University living in Madison county will hold their winter meeting Saturday at Skaggs steakhouse in Wood River.

A feature of the evening will be an illustrated talk on India by Mrs. John Taylor, Mrs. Taylor, a Fulbright lecturer, spent last year teaching in India and will bring to the club current news in the educational and social problems and progress of that country. An informal period of dancing will follow the meeting.

Presiding will be Buddy D. Cross of Alton, club president. Chairman of arrangements is Robert Steele of Wood River. The smorgasbord dinner will begin at 7 p. m.

Eagles Auxiliary Plans Events For Holidays

Plans Events For Holidays

A pot luck supper at 7 o'clock preceded the regular meeting of the Eagles Auxiliary Tuesday evening.

Arrangements were completed for the meeting of District Eight to be held in East St. Louis on Sunday when the Granite City escort team will assist in ritual work. The district will pay homage to Mrs. Rose Johnson, state president.

The Auxiliary also was invited to attend a District Five meeting in Lincoln, Ill., on Dec. 10 when the state officers and past state presidents will be guests of honor.

A contribution was sent to the Home on the Range for Boys, an Eagles project located in Fargo, N. D. Plans were made for the Auxiliary Christmas party on Dec. 12, and the group decided to again bring Toys for Tots to the meeting instead of the usual gift exchange among the members. Mrs. Flo Hillis and Mrs. Mae Amish will serve as co-chairmen for the 6:30 Christmas dinner meeting.

Mrs. Dolores Kleish was appointed chairman for Christmas gifts for patients at the Edwardsville Nursing Home, and announcement was made of the children's Christmas party to be held Dec. 17.

After adjourning, there were games with prizes going to Mrs. Theresa Daigler and Mrs. Florida Batson.

ATTEND GOLDEN WEDDING CELEBRATION
Mr. and Mrs. Paul Beasley and son, 2209 Elm avenue, have returned from Clarksville, Tenn., where they attended the golden

GOLDEN WEDDING. Mr. and Mrs. L. E. Wyatt of Clarksville, Tenn., formerly of this city, who observed the fiftieth anniversary of their marriage recently.

ATTEND WCTU DINNER
A number of local people attended the annual dinner Monday evening given by the Madison County Woman's Christian Temperance Union at the recently completed Christian Church in Alton for honorary members.

Approximately 50 guests were present, among them Rev. Maurice Berninger, pastor of the Cottage Hill Assembly of God Church, the speaker of the evening.

Present from Granite City were Mr. and Mrs. Glenn Cunningham, Rev. George Sargent, pastor of First Baptist Church, William Reischer and Mesdames Ella Green, Flora Jeff, J. A. Little, Pearl Thomas, Owen Willtrout and William Schooley, president of the Granite City local.

The meeting opened with a hymn, accompanied at the piano by Mrs. Juanita Harris, county president, and the introduction of the various presidents, as well as the special guests, by Mrs. Robert Nessel, of Alton, state president.

The program consisted of a vocal duet by Mrs. Ethel Rex and Mrs. Betty Pittman, selections by a quartet of teen-age boys from South Roxana, and the address by Rev. Berninger. The invocation and benediction were given by an Alton layman.

Hospital Group Plans Yule Party

Two new members were enrolled at a monthly meeting of St. Elizabeth Hospital Auxiliary Monday evening. They are Mrs. Kathryn Pinkerton and Mrs. Dolores Riddle.

Mrs. Martha O'Day, president, was in charge and 33 members were in attendance.

Plans were completed for the annual Christmas dinner party for the Auxiliary members and nurses to be held Dec. 11. Serving as chairman of the various committees arranging the affair will be Mrs. Catherine Pisel, Mrs. Elizabeth Kelly and Mrs. Helen Bergfield. Mrs. Dorothy Purney reported on the recent pillowcase festival and plans were made for enclosing the coffee and gift shop which is operated chiefly by volunteer workers from the Auxiliary.

After the meeting adjourned refreshments were served by the nurses.

FREE TOUR LITERATURE AT HOLIDAY SERVICE.

Twin Daughters Born To Mr. and Mrs. Meehan

Twin daughters, weighing six pounds each, were born to Mr. and Mrs. John Meehan, 1640 Primrose avenue, at Jewish Hospital, St. Louis, Tuesday morning. Mother and babies are doing nicely.

The Meehans have a ten-year-old son, Michael.

Mrs. Meehan is the former Miss Mildred Weiss, daughter of Mr. and Mrs. Ignace Weiss, 1632 Fifth street, Madison. The paternal grandparents are Mr. and Mrs. W. K. Meehan, 427 Lincoln avenue, Venice.

Parsons Speaker For Jayceettes

A meeting of the Jayceettes was held Monday evening at the Big Top Bowl with 14 members attending.

Mrs. Ethel Juergenson reported the receipt of the Christmas cards and announced the distribution to the members would be made this week. The proceeds from the sale of the cards will be turned over to the Jaycees for their "Big Brother" project.

After the business session the group was entertained by Earl Parsons with slides and a commentary on his recent trip to

Granite City PRESS-RECORD
Thurs., Nov. 30, 1961 Page 27

the Junior C. of C. international convention in San Juan, Puerto Rico.

Refreshments were served by the co-hostesses, Mrs. Lois Hassler and Mrs. Dorothy Baker, and plans were made to meet again Dec. 18 at the Big Top.

"HAPPY IS HE THAT HATH THE GOD OF JACOB FOR HIS HELP, WHOSE HOPE IS IN THE LORD HIS GOD: WHICH MADE HEAVEN, AND EARTH, THE SEA, AND ALL THAT THEREIN IS, WHICH KEEPETH TRUTH FOR EVER."

LIVELINESS AND LUXURY AT A LOW, LOW PRICE

NEW CHEVY II

Never before such a team of totally new cars! Sedans, hardtop, station wagons, even a convertible -- you name it, Chevy II has it. Nine models in all now in production. They're easy on the eyes, easy on the road and easy on your pocketbook. Two spunky engines, a four and a six (your choice in most models), purr along merrily on regular gas--and darn little of it, too. Thanks to Mono-

Plate rear springs, the ride reminds you of the big Chevrolet--and you know how smooth that is. The space and cushy comfort inside put you in mind of big cars, too. But Chevy II parts company from anything else around when it comes to offering all these fine features -- at a sensible low price. Check your Chevrolet dealer and see for yourself.

Council Oks Permits, Will Study Tree Damage Claim

Several items of business — permits for an excavation and a driveway and referral to committee of a \$50 tree damage claim against the city — were handled by Granite City council members Monday night.

The council also gave a half-day off Tuesday morning to members of the street and sanitation departments to attend the funeral of Street Department Foreman Robert "Dutch" Wetzel, 66, a 31-year city employee, who died last Saturday at St. Elizabeth Hospital after an illness of 23 days.

The excavation permit, recommended by Alderman Samuel Whitmer, chairman of the Public Works committee, is for installation of 64 feet of gas line in the 2700 block of Roosevelt street. It was explained a family with small children was without heat because of conversion to gas and the lack of a line near the house. Whitmer said the house was being heated temporarily by leaving the oven door open on an electric range.

The permit for a 20-foot driveway in the 2200 block of Monroe street went to Air Products, Inc.

to provide off-street parking facilities for employees. Whitmer said Monroe street residents were complaining of the plant employees parking cars in front of their homes.

Tree Falls On House
Referred to the Finance committee and City Atty. William Beatty was a letter from Mr. and Mrs. Floyd Converse, 2827 Edwards street, asking the city to pay \$50 for damage to their home caused when a tree was blown over about 9:15 a.m. on Nov. 2. Converse said repairs to the house cost \$309 and his insurance firm settled for all of the amount with the exception of \$50.

It was pointed out the tree had been located between the sidewalk and curb on city property.

Mayor Davis read an invitation to the aldermen to attend the Southwestern Conference of Mayors meeting held last night at the Madison Fireman's Hall with Madison Mayor Maeras and Venice Mayor Dr. Lee as co-hosts. Davis, who is president of the organization, said no special program had been prepared for the dinner meeting.

Christmas Lighting Interest Increasing

Interest is growing in the Granite City Jaycees' annual "Creative Christmas Lighting Contest," according to John Knipping, chairman, with deadline for entry only two weeks away.

Prizes of \$75 for the winner, \$30 for second place, \$25 for third, and five runner-up awards of \$10 each will be given in the contest, which is limited to residential dwellings.

Deadline for entry in the Granite City contest is midnight, Dec. 16, with judging to be done Monday and Tuesday, Dec. 18-19. In Madison, the Madison Rotary club will sponsor a similar contest, with five prizes of \$20 each to be awarded. No entry is required in the Madison contest as judges will tour the city the week before Christmas and choose the five best decorated homes.

Knipping said an official entry blank in the Jaycees' contest, along with a free copy of a booklet entitled "Christmas With Light," may be picked up at the Niedringhaus and Delmar, ave. offices of the Illinois Power Co., which co-sponsors the event.

Or, an entrant may mail his name and address to the Granite City Jaycees, P.O. Box 3, Granite City, Ill.

Persons who would like more information on Christmas lighting or groups which would like a home lighting demonstration may contact Miss Dorothy Davis, home lighting advisor at the Illinois Power Co.

The utility company has been an official co-sponsor of annual Christmas lighting contests, along with civic organizations in various communities, since 1954.

3 Optimist Clubs To Open Christmas Tree Lot Saturday

Six thousand Christmas trees will be put on sale this weekend by the three Granite City Optimist clubs, with proceeds to finance Optimist youth activities throughout the coming year.

Jack Dempsey, general chairman of the sale, said club members hope to begin selling trees Saturday at their lot on Madison avenue near 24th street. The trees arrived by rail last weekend.

The lot will be open from 10 a. m. to 10 p. m. daily through Christmas Eve, operated by members of the Noonday, Daybreak, and Twilight Optimist clubs.

As in past years, the Optimist clubs will sell Christmas accessories at the lot, including ornaments, roping, lights and other decorative materials. Proceeds from their sales are used primarily for work with needy children.

Members of the clubs include: Mrs. Thelma Markgraf

Senior Class Play At GC High School Tonight

Top seniors of Granite City high school will present their class play, "Auntie Mame," at 8 o'clock tonight in the school auditorium. The play was given in an assembly program yesterday.

A former Broadway play and motion picture, the production is based on a book by Patrick Dennis. The two-act comedy traces an aunt's experiences in raising a nephew and attracting a husband.

Wayne Hubbard is serving as faculty director. Elaine Dineff as student director and Joyce Sykes as stage manager.

Members of the cast include: Mary Kay Mainbridge, Walter Gasparovic, Wanda Crabtree, Theresa Blankenship, Robert Potkin, George Haven, James Ash, Eddie Bain, Judy Rollins, Walt Mathis, Don Findell, Alan Fleener, Craig Holt, Mary Alice Christian, Joyce Sykes, James Boswell, Patricia Dineff, Tom Stokick, Georgian Grider, Dorothy Toth, Eddie Marshman, Jean Proffitt, Veldi Church, Nancy Dunscomb and Francis Wallis.

Two Educational TV Programs Recommended

Wilbur R. L. Trimpe, Madison county superintendent of schools, has recommended two forthcoming television programs for viewing by county residents.

Both programs deal with education. The two programs are "What Is Happening In Education," to be shown Sunday at 11:30 a. m. on KSD-TV, Channel 5; the second program is "Interest and Exploratory Courses in Junior High Schools," over WSTU-TV, Channel 8, from Carbondale, Dec. 5, at 6:30 p. m.

Dineff Gives Sales Award

Ted Dineff, salesman for B. E. Hohlt, Inc., who resides at 1628 Maple street, has been notified by the Ford Motor Co., St. Louis district sales office, that he has again been awarded recognition in the 500 Club as one of the outstanding salesmen in the area.

Dineff has been a member of the 500 Club for the past seven years and a salesman for B. E. Hohlt, Inc. for the last eight and one-half years.

The Volkswagen is the big one.

We know the Volkswagen Truck is 3 feet shorter than a half-ton. We also know that it's 1,600 pounds lighter than a half-ton. But we still say it's bigger because it holds way more: 1,830 pounds compared to 1,000. (And you get 170 usable cubic feet in the VW, too.)

Maybe you've wondered why in the world you need 4,000 pounds of truck to move 1,000 pounds of cargo.

Volkswagen engineers wondered, too. (They also wondered about the times you had to use the same 4,000 pounds of truck to deliver only 10 pounds of cargo.)

So they built a truck that weighs only about half as much as a half-ton—but carries almost twice as much.

Incredible?

We can hardly get over it ourselves.

ship, the applicant must be either a member of the IAM with at least three years in good standing, or the child of a member of IAM with at least five years in good standing, Houston said. Each scholarship will be for \$1000 a year, renewable for four years provided the winner maintains satisfactory standards. Scholarship holders may attend any accredited college or university and pursue any course of study they choose.

Recipients will be chosen by a selection committee composed of five leading educators living in the Washington, D. C., area. They will be chosen from outside the union on the basis of their objectivity and their experience

Centerpieces To Be Awarded At Yule Show

Fifty seasonal centerpieces will be awarded to persons attending the 16th annual Christmas wrapping show at the Granite City high school auditorium at 8 p.m. Monday.

Sponsored by the high school art department, the program is under the direction of Eugene L. in working with students.

Deadline for applications for the 1962 awards, for those entering classes next fall, is Dec. 31. Applications may be secured from Houston at the Labor Temple or by writing IAM Scholarship Program, International Association of Machinists, 1300 Connecticut avenue, Washington 6, D. C.

Alassi, supervisor of art education in the Granite City school system, and will feature holiday decorations created by about 800 high school and junior high school art students.

Alassi will demonstrate attractive and practical wrapping and decorating ideas for gifts and packages of a variety of sizes and shapes. The program, presented as a public service by the art department, is free to the public. A capacity crowd is expected to attend as has been the case in recent years.

Look ahead and prepare—don't look back at the past and regret.

66 Players Score 1101 Points In SWC

Sixty-six players from among over 300 active in football in the seven schools comprising the Southwestern conference had a hand in scoring 1101 points chalked up this fall in 65 prep contests.

In as past seasons, individual scoring was well-balanced, for the most part, but there were 24 players who showed enough consistency to cross opponents' goal lines three or more times during the year.

The conference cannot boast a 100-point performer this fall, but East St. Louis' Cornelius "Corny" Perry came mighty close, scoring 95 in 10 games.

Teamwise, the co-champions of the SWC, East St. Louis and Belleville, led in point production with 277 and 237, respectively.

And, outside the conference, five members fared well, too. The seven clubs finished with a composite record of 34 wins, 10 losses and four ties. Their non-conference record reads 14-7-2, giving Southwestern boosters a point to argue this winter in the hot stove league.

The leading SWC conference scorers, all games considered: Corny Perry, E. St. L., 95; Bob Englebrecht, Belleville, 75; Don Davis, Alton, 55; Ken Randle, Belleville, 55; Larry Schumacher, E. St. L., 50; Lowell Brown, Wood River, 44; Paul Ritter, Wood River, 44; Terry Mitchell, Alton, 41; Al Randolph, E. St. L., 37; Wayne Henderson, E. St. L., 31; Vic Bushler, GC, 30; Rich Ballard, Belleville, 30; Jim Long, E. St. L., 29; Rufus Jones, E. St. L., 24; Harry Hildreth, Belleville, 23; Les Lund, Belleville, 18; Quentin Hoover, GC, 18; Lorea Randol, Alton, 18; Bob Powell, Collinsville, 18; Bob Johnson, E. St. L., 18; Bob Kiser, E. St. L., 18; John Willis, E. St. L., 18; Jim Lewis, E. St. L., 18; Bob McKelvey, Belleville, 18.

HOME OWNERS INSURANCE, CAL REINHARDT.

Varied Sports Program Saturday At Maryville Children's Home Benefit

Weightlifting, basketball, judo or baton twirling. Take your pick. All four activities will be featured on a Maryville Children's Home benefit "sports night" program Saturday evening at the Granite City high school gymnasium.

Proceeds from the program, which begins at 7:30 p. m., will go to the children's home and will be applied toward paying for the cost of a newly completed gymnasium, according to Rev. Randol Mercer, promotional director for the interdenominational institution.

The Granite City Judo club will begin the program, with Wes Talley, Miss Dorothy Douglas and Mr. and Mrs. Bob Whelan giving the history and a self-defense demonstration will be presented and "judo" a form practice for women comparable to a modern dance, will be demonstrated also, to be followed by actual baton-twirling judo contests.

A baton-twirling exhibition by Linda Ohms, 10-year-old state champion in her division, will precede a basketball game between an all-star squad of players from two Granite City park district leagues and Ragan Lumber Co., defending Classic league champions.

The all-star Roster is headed by player-coach Art Borchers, who represents the Spangler Insurance team from the Classic league, together with Jim Reiter, Gus Lignoul and Andy Resnick, Don Williams, Charles Johannmeier and Clarence Hand. Bill Haven will come from Bowland's Classic loop entry; and the Church league will be represented by Paul Mosby of Sacred Heart and Jerry Wintjen of First Assembly of God.

At halftime, Granite City Police Officer Steve Carich will demonstrate his weightlifting ability. He plans to attempt to lift 400 pounds.

Tickets for the benefit are available in advance or at the door Saturday night, and are priced at \$1.

DEFENDING CHAMPIONS in the park district's Classic league, these members of the Ragan Lumber Co. squad will oppose a park league all-star basketball aggregation Saturday night in a benefit game for the Maryville Children's Home, to be held at the Granite City high school gym as part of a "sports night" which will also feature a judo exhibition, weightlifting and baton twirling. In front row (left to right) are sponsor Jerry Ragan, Bob Page, Ron Sherman, Bill Page and Dave Hysko. In the second row (left to right) are Bob Duffield, Shirley Barton, Don Lybarger, Bob Miller and Bill Ohlendorf.

Mitchell Kiwanis Club Told of 'Sports Night'

Rev. Randol Mercer, promotional director of the Maryville Children's Home, was guest speaker at the regular weekly meeting of the Mitchell Kiwanis Club Monday night.

Rev. Mercer called on the club to support the "sports night" to be sponsored by the children's home at the Granite City high school gymnasium Saturday night.

The event is to feature a basketball game between the park district Classic league championship team sponsored by Ragan

Lumber Co. and an all-star team of players from other Classic league teams.

In addition to the game, the program will feature a sports judo exhibition by the Granite City Judo club, a weightlifting demonstration by Steve Carich, Granite City policeman, and a twirling exhibit by 10-year-old Linda Ohms of Granite City.

Rev. Mercer told the Kiwanis proceeds from the event will be used to help offset cost of a new gymnasium recently erected at the children's home, which is operated by the Assemblies of God on an interdenominational basis.

Members of the club were present at the Monday night

Arrest Driver In Crash

Carlos Mitchell, 54, Route One, Granite City, was charged with having no driver's license after a collision at 2:35 p. m. Monday. There was damage to the front of his car, northbound on Madison avenue at 12th street, and the right front door of the eastbound auto of William Loftus, 18, of 2002 Hillside avenue. He was released until a hearing Saturday.

meeting, where plans for next week's joint officer installation ceremonies with the Granite City club were announced.

SMITH'S PIT BAR-B-Q TO OPEN SOON

St. Bartholomew, Hearts Win Church League Openers

Sacred Heart's defending champs and St. Bartholomew's cagers rolled to easy wins Monday night at Coolidge in park district Church League season openers.

Led by Dale Pashea and Larry Williams, each of whom tallied 19 points, Sacred Heart pounded Trinity Tabernacle 78-43. In the nighttime, St. Bartholomew's humbled Nameoki Methodist 80-37. The winners' Mike Trutan and Nameoki's Don Hornberger shared individual scoring honors with 23 points each.

Trinity's one-two punch of Carl Main and Jim Scherrills kept pace with the Hearts for a quarter, but then the margin expanded steadily. Scherrills and Main tallied 17 markers.

Hornberger was unable to keep Nameoki within range of St. Bartholomew's, which took a 21-8 first quarter lead and kept widening the gap.

Tonight's action finds 1st Assembly, last year's playoff champion, meeting Tri-City Park Tabernacle in the 7 o'clock contest and St. Joseph playing 2nd Baptist at 8:15. Tri-City Park

Sullivan Sings Coaching Blues; Red And Black At GCHS Is Green

Riddle: When do red and black make green — and maybe blue, too?

Answer: When your name is Andy Sullivan, your job is head basketball coach at Granite City high school, and you face the task of building a team to compete in the tough Southwestern conference from candidates who are for the most in experienced and include just three lettermen.

"Boy, we're green," said Sullivan this week as he watched his varsity roundballers run through pattern drills in preparation for tomorrow night's non-conference opener in Cahokia.

16-11 Last Year
The Red and Black of GCHS will be out to duplicate or improve on last season's 16-11 mark, which included a 6-6 record good enough for third place in the SWC.

On the surface, things don't look too bleak. One of Irish Andy's lettermen is a 6-7 junior, George Moore; another is experienced Guard Grant Tukmajan, a nucleus, you say? Tukmajan is a second semester senior, which means he will graduate in January, about the time Sullivan's previous teams have rounded into smooth-working units. And Moore is working with his right leg heavily taped as the result of a pre-season football injury to the knee. It is if he will be able to

go hard all the way Friday night against the Comanches. If such is to be the case, some untired personnel will have to come through, in Sullivan's opinion.

Three Starters Definite
"Even with George in there, we haven't shown much strength on the boards," Sullivan said. Moore is a doubtful starter in tomorrow's 8:15 p.m. game, but three non-lettermen have drawn opening game assignments as the result of their work during the last two weeks.

Charles Papp (6-1, junior) will play the post if Moore is not among the starters, and Larry Noblin (6-1, junior) and Bill Boyd (6-1, junior) are listed as the starting forwards. Papp will join Jim Proffitt (5-11, sophomore) at the outcourt positions if Moore is in the lineup. Tukmajan, at 5-9, and Letterman Glen Hoffman (5-8, junior) are candidates at one guard spot. Hoffman is a center, and Letterman Glen Hoffman (5-8, junior) are candidates at one guard spot. Hoffman is a center, and Letterman Glen Hoffman (5-8, junior) are candidates at one guard spot.

"V" STANDS FOR VICTORY, which is what Granite City high school's Warriors hope to achieve Friday night when they open the basketball season at Cahokia. Reading from the top left are George Moore, Elton Hall, Charles Papp, Larry Noblin, Dave Papp, Jim Proffitt, Vic Buehler, Glen Hoffman, Grant Tukmajan, Bill Boyd, Perry Toney, Larry Worthen and Coach Andy Sullivan. The Warrior-Comanche clash is one of 20 area games on top Friday and Saturday.

Vast Potential In Ocean Depths Rotary Club Told

Undersea development has an almost unlimited future, Granite City Rotarians were told at their noon luncheon meeting Tuesday by Al J. Mueller Jr., general manager of the Press-Record. His talk traced the history of diving from 5000 B.C.

Ocean depths, which cover 72% of the earth's surface, already yield vast quantities of oil, fish and cultivated seaweed, and experiments in progress are expected to greatly accelerate utilization of mineral resources, plants and other sea life, the speaker related.

Mueller told of development of "scuba" diving—use of underwater breathing apparatus—since world war II and described present diving methods used for recreation and underwater searches. Local groups active in the sport are the Bubbleman and Kingfish clubs, he

Local Radio Station Goes On Air

A radio station, primarily to serve the Quad-Cities area, will begin operation. Broadcasting from 6 a. m. until sundown daily from studios located along U.S. Highway 67A, about five miles north of Granite City near the U.S. 40-66 intersection. The AM station, WGNL, is being managed by Charles H. (Chuck) Norman, a resident of Clayton, Mo., who also is principal owner. Others on the staff are Fred Lane, formerly of a San Antonio, Tex., station; Russ Benson, formerly with the Alton station, and Richard Kastanie.

Night Light To Be Added At Mitchell School

An additional night light for Mitchell grade school was authorized by the Granite City school board at a semi-monthly meeting Tuesday night. Cost for the 20,000-mercury vapor lamp will be \$8.57 a month.

The light will be located in the yard area northwest of the Mitchell building. Purposes are to prevent vandalism and to provide light for the gymnasium entrance.

The arrangement is being made with the Union Electric Co., which supplies power for the school and has a "night light" rental program similar to that of the Illinois Power Co. After a discussion of the light, it was decided to approve the power firm's 28-foot recommendation.

Board members said present night lights at Ephraim and Nankin grade schools may have to be raised to provide more adequate front lighting. They are 28 feet above the ground.

The board decided to enter into a one-year maintenance contract with the National Contract Register Co. for inspection, cleaning, lubrication and repair of nine school air conditioning registers. Total cost will be \$201.

An additional auditorium, to be used by school nurses and speech correctionists to test hearing, was ordered from the Maico Co. for \$285.

Purchase Pickup Truck
Acting on bids on a pickup truck for the school maintenance staff, the board purchased a 1961 International pickup truck, Brewer Motor at \$1,500 plus the district's 1952 Dodge three-quarter ton truck.

Seven other bids from five other firms ranged from \$1,490 for a 1962 Studebaker vehicle to \$1,800 for a 1962 Ford truck. The board accepted a low bid of \$1,250 from Fyn-Fryer Sales and Service on providing the bid of 16 soda acid fire extinguishers and a low bid of \$183.50 from Alltype Fire Extinguisher Co. on each of three carbon dioxide fire extinguishers. Total expenditure will be \$201 for the equipment, which will be placed at different schools in the district.

Science Equipment
Fourteen science room cabinets at \$30, a total of \$420, were purchased on the basis of a low bid from Welch Scientific Co. Eighty-four polyethylene science trays were ordered from the same firm for \$180, and the \$622 total will be reimbursed on a 30% basis by federal funds under the National Defense Education Act.

Five categories of hardwood lumber, walnut, cherry and red oak squares and birch and cherry wood, were ordered from Gaines Hardware Co. for a total of \$219. Walnut lumber was purchased from Steele and Hibbard for \$196.

The board approved educational bills of \$967.93, a transportation fund bill of \$40 and building fund bills of \$396.22, the latter including \$121 for maintenance of 60 school fire extinguishers by the Granite City fire department.

Study Decatur Insurance
Among the educational fund bills was a \$740 payment to the Rainford Agency for one-year insurance coverage of the district's licensed trucks and two driving training autos. During questioning by Board Member Homer Huber, Supt. Harold M. Kaiser said a study is being made of Decatur and other school systems which directly handle insurance bids.

Under arrangements started a year ago, the Granite City insurance exchange seeks competitive bids among its members for school insurance not in the basic building coverage that is divided among all the member firms. The bids are assembled at the school district office and turned over to a committee of the exchange for opening and recommendations. Dr. Kaiser explained.

The administrative staff study started recently at the board's suggestion is intended to show whether the district would be wise in ending current insurance procedures and assuming the bid handling itself. The report is expected to be completed in several months.

Bids were opened Tuesday night on a sound system for the high school gymnasium, audiovisual aids equipment, a portable laboratory table, award ribbons and door mats. Action will take place Dec. 12.

2-Year-Old Treated For Eating 22 Aspirins
Danny Shemwell, two-year-old son of Mr. and Mrs. Charles Shemwell of 1024a Rodgers street, Sunnyside Acres, was given emergency treatment at St. Elizabeth Hospital Monday afternoon after taking an estimated 22 adult aspirin tablets. He underwent a stomach lavage and was released.

Mrs. Shemwell said the child pulled out cabinet drawers and climbed on them up to a high kitchen shelf to get the aspirin bottle while she was in another room. She returned shortly, she said, to find him playing with the empty bottle, bits of undissolved aspirin still in his mouth.

National Rural Youth VP Seeks Increased Interest

Lowell Griffith, 24, of 3300 Wiltshire drive, second vice-president of the Rural Youth of the U.S.A. conference and president of the Madison county rural youth group, has issued an invitation for all interested and qualified county residents to join the organization.

Founded in the 1930's, Rural Youth holds an annual conference to discuss personal leadership, youth group recreation programs, home and family relations and national trends in living. Griffith was elected to his national post at last September's conference at the University of Nebraska at Lincoln.

Assistant service area engineer at the Illinois Power Co. and a 1959 electrical engineering graduate of the University of Illinois, Griffith points out he has lived on a farm. "An interest in rural life is the prime qualification for membership," he said. "I was born and raised on a farm near Galesburg but I never intended to take up farming after school."

100 4-Hers Invited
He added that over 100 invitations were sent out recently to local 4-H members, "because of their obvious interests." Local membership is defined by being single and between the ages of 17 and 28. Griffith said that local activities include discussion meetings, card parties and dances.

As national second vice-president, a one-year term, he is in charge of registration at the 1962 national convention, Sept. 12-16, at Cedar Lakes, West Va. He says he attended his first national conference in 1960 at Washington, D.C.

Challenge Of Change
"Farming and farm life are de-emphasized at the national conference," explains Griffith. "It's more like a five-day meeting of youth to discuss a cross-section of national youth programs, problems and solutions." He said that this year's

Lowell Griffith, National Rural Youth VP.

theme was, "the challenge of change."

"The keynote address dealt with leaving the farm and the moral obligation and change," Griffith said. He said that any rural group can attend the national conference and some of the groups that have attended are National Grange, National Farmer's Union, Boy Scouts, rural church groups and Rural Youth.

The Madison county group will meet Dec. 5 at 8 p.m. in the Edwardsville farm bureau office. Griffith reported that the local group, which is sponsored by the Agricultural Extension Service of the University of Illinois, will change its regular meeting night to the first Tuesday of each month starting in January.

New Council Members To Be Installed At Church

An installation ceremony for new council members at St. Peter United Church of Christ Church will be held in January. It was announced this week by Church Council President Leonard D. Anderson.

Bank To Donate Trophy Case For GCHS Gymnasium

Another in a series of bank gifts to the Granite City school system was accepted by the school board Tuesday night. A second trophy case for the foyer of the high school memorial gymnasium building will be provided by the First Granite City National Bank.

The offer made by President Harold R. Fischer noted that the present trophy case was made by Harvey Mullen, GCHS wood shop instructor, and was donated to the school district by past graduating classes.

The new trophy case will match it and is needed due to the increasing number of trophies earned by school athletic teams. Entire cost will be born by the sponsoring bank.

The Granite City Trust and Savings Bank previously donated scoreboards for the gymnasium and the GCHS football field. As in these instances, the name of the donor will be shown; a bronze plaque on the new trophy case will match the one on the present case.

In other business Tuesday night relating to the gymnasium building, the board accepted a low bid of \$676 from Dron Electric Co. on furnishing and installing a 36-inch-diameter belt-driven exhaust fan in each of the two gables at the roof. This will afford improved ventilation when the gymnasium is in full use.

Bids on a sound system for the high school gymnasium were opened and referred to the administrative staff for analysis and a recommendation.
